Annual General Meeting

Notice of Annual General Meeting of North Bondi Surf Life Saving Club Inc.
ABN 77 272 419 031

To be held at 10.00am on Sunday 2nd August 2026 at the Clubhouse.

Administration

1. President's Welcome
2. Apologies
3. Vales: Greg "Teddy" Clifford – Long Service Member, Nico Antic – Nipper, Martin Payne – Long Service Member, Robert "Bobby" Stewart – 70-Year Member, Albert Strykowski – 70-Year Member, Warren Hayes – 60-Year Member.

Meeting Business

4. Matters arising from 2025 Annual General Meeting
5. Confirmation of minutes from 2025 Annual General Meeting
6. Adoption of 2025/26 Annual Report & Financial Statements
7. Election of Board of Management and Trustees for 2026/2027 season
8. SLSA Affiliation
9. Endorsement of Junior Activities Executive Committee
10. Motion to confirm PKF as Club Auditors
11. Membership Service Recognition
SLSA Long Service Award: Amanda Boogert, Bradley Mackay, Brennan Bastyovansky, Brianna Tier, Christian O'Regan Buckingham, Emily Tebbatt, Joey Schaasberg, Jonathan Golan, Jordan Besser, Kirra Lowett-Richards, Michael Galgut, Paul Harrison, Peter Skinner, Ryan Tomlin, Sarah Jones, Yianni Anastasiadis.
NBSLSC Long Service Award: Alexander Rogers, Bradley Cole, David Freedman, Lachlan Benson, Mark Baldassarre, Nicky Verco, Tom Cregan.
15 Year National Medal: Doron Milner, John Costigan, Julian Peterson, Philip Palmer.
15 Year National Patrol Service Award: Bradley Mackay, James Fleetwood, Jodie Salmon, Michael Nearhos.
35 Year National Medal Clasp: Richard Lissenden.
40 Year National Patrol Service Award: Gerald Stephenson.
25 Year Long Service Award: Andrew Allsopp, John Rich, Louise Sung, Samuel Hagan, Shaun Anderson, Stewart O'Regan, Wayne Gagel.
50 Year long Service Award: Richard Bilewicz.
60 Year Long Service Award: Brian Mayhew, William Butler.
75 Year Long Service Award: Albert Strykowski
12. Australian Champion Recognition
13. General Business

The Spirit of a Lifesaver

“Ready Aye Ready.”

For 120 years, those words have echoed through North Bondi Surf Life Saving Club. Etched on the walls, woven onto uniforms, instilled with pride, and passed from one generation of members to the next. They are our motto, and they are also our oath.

“Ready Aye Ready” is a promise that when our community needs us, we will be there.

Every patrol, every first aid, every rescue. Every hour spent in the club, on the sand and in the surf stands on that simple commitment. We volunteer because we believe that helping others matters. We prepare for the unpredictable and serve as a team, hoping that the skills we practise each week will never be needed beyond an ordinary patrol.

On 14 December 2025, the ordinary disappeared.

What unfolded on our doorstep was unlike anything our club, our city or our country had experienced. Within moments, volunteer surf lifesavers joined with the Jewish community, members of the public, and Lifeguards as the first people to respond. Before the critical services could arrive, our members were there. Courageous. Helping. Ready.

Emergency management often refers to people in these moments as “zero responders”. Those who happen to be first on scene and who step in to help before professional emergency services can be there for people in need.

That day, 123 of the zero responders were off-duty volunteer surf lifesavers. 56 of them, members of North Bondi. Our members.

Outside, amidst the overwhelming crisis, volunteer lifesavers from Bondi and North Bondi moved against the fleeing crowd and directly toward those in greatest need. With remarkable composure and lifesaving skills, they instinctively applied their training to aid those most injured. They triaged injuries, gave lifesaving assistance and critical first aid, and carried patients on rescue boards to the awaiting paramedic teams. As further help arrived our people remained, helping to restore calm during moments of profound uncertainty.

Credit: ABC News

Inside our club, festive celebrations turned into cries for help as hundreds of people retreating from danger sought safety in the open doors and ushering arms of our members. Frightened, injured and unsure whether lost loved ones were safe, they found refuge. With calm professionalism from our members, wounds and injuries were treated, and families reunited. Cries for help were eventually replaced by words of quiet and calming reassurance, and the gratitude of many for the help they received.

Our Club became more than a building. It became a place of utmost safety, as the skill and care of our members left an indelible mark on the community. Deep professional respect and admiration came also from the Police and Ambulance services who recognised the numerous lives saved because zero responders chose to help.

Throughout the remaining season, our President, Bluey, served as the Club’s steady voice. Navigating intense local, national, and international exposure, he led our operation, wellbeing and recovery efforts with unwavering resolve. Himself a responder that day, he balanced public demands with internal support and strengthened the deep ties forged with Bondi Surf Bathing Club. All while ensuring the focus remained on our people, our volunteers, the Bondi community, and those whose lives were tragically and forever changed.

On the beach, Patrol leaders, Nipper crews, coaches, and our club support services navigated their own experiences while continuing to show up and keep the rhythm of our club life moving forward.

Many of the most important acts of leadership and support, however, were never seen. They happened in quiet conversations, in kind gestures everywhere.

Checking whether someone had made it home. Making sure another member wasn’t alone. Covering a patrol. Listening. Sitting together in silence when words weren’t enough. There are countless members whose relentless efforts of support will never appear in headlines, and may never be fully known, but their compassion helped create the safety, connection, and stability that held our club together through the most challenging season in its history.

Amidst all of this, those carrying the heaviest burden were our Jewish members, as the events of that day accompanied a profound and personal weight. The attack was not simply something witnessed; it struck immeasurably at their own community. Yet through grief, uncertainty and extraordinary public attention, our proud members of the Jewish faith continued to show remarkable courage, integrity and resilience. They continued to give and serve, in our Club and in the community, with an enduring spirit that has reminded us all of the light that persists even in the face of unimaginable loss. Their presence, friendship and leadership remain an invaluable part of who we are and who we will continue to be.

As news of the events rippled across Australia and the world, recognition of the remarkable actions of our volunteer surf lifesavers followed. Messages of support arrived from clubs nationwide, leaders, organisations, and emergency services. The response of the zero responders became a story of hope resonating far beyond Bondi. A reminder that even in humanity’s darkest moments, there are those ready to run toward others.

Yet perhaps the greatest measure of our club wasn’t what happened that day. It was what happened afterwards.

The beach reopened. The flags went back up. Training resumed. Nippers played in the shallows again. Patrols rolled on, weekend after weekend. Our two Bondi clubs came together with a shared purpose, forged through experience and anchored in a commitment to one another and our service to the Bondi community.

When our responders look back on 14 December, they rarely focus on what they witnessed. Instead, they speak quietly of gratitude: Grateful for their training, honoured to have stood beside their mates, and humbled to make a difference for those who needed them.

This is the spirit of a lifesaver.

“Ready Aye Ready” wasn’t just a motto on 14 December.

“Ready Aye Ready” was every patrol afterwards. It was every member checking in on a mate. It was every quiet act of kindness that helped rebuild confidence, connection and community.

This season reminded us that surf lifesaving is about far more than rescue tubes and barbecues.

It is about people.

People who step forward. People who choose service over self. People who stand shoulder to shoulder when it matters most.

The world saw extraordinary courage on 14 December, but we who stand in the sand of North Bondi together saw something more. We saw volunteers doing what they have always done - looking after others.

That is who we are. That is what this club has always stood for. And that is what “Ready Aye Ready” will always mean to North Bondi

Shoulder to Shoulder

On Saturday 20th December, just one week after 14 December, hundreds of volunteer lifesavers from North Bondi, Bondi and Waverley Lifeguards stood shoulder-to-shoulder on the sand before patrol in a quiet moment of reflection. Across Australia, surf clubs gathered on their own beaches in solidarity. A powerful reminder that while we serve different communities, we are united by the same spirit of service, mateship and support when it matters most.

The Spirit of a Lifesaver

MISSION STATEMENT

To protect and save lives, to help create a better community, to provide a great experience for our members and associates.

CLUB OBJECTIVES

The objectives of the Club shall be:

1. To patrol surfing areas and surrounds solely, or in conjunction with other surf life saving clubs and council lifeguards. By providing efficient equipment, technology and resources our members will reduce the risk of injury or drowning of the public. This will continue the long tradition and recognition of North Bondi as an innovative and leading lifesaving club.
2. To provide education programs and information to our members and the local community to enable increased knowledge and skills in an aquatic environment. This will better enable members to respond to emergency situations on the beach or elsewhere. These programs will be endorsed by Surf Life Saving Australia.
3. To promote the development of Youth via age specific programs and interaction to enhance their fitness, lifesaving ability and general wellbeing. A key emphasis is the engagement of Junior Activity members and families transitioning to lifesaving membership of the Club.
4. To organise surf sports activities to promote fitness and a healthy lifestyle to better fulfill lifesaving duties. To provide access to training and coaching opportunities, facilities and equipment to enable members to engage and improve in SLSC approved competition activities.
5. To ensure best practice administrative and financial control processes are implemented. All funds raised are to be directed towards the enhancement of the objectives of the Club or other benevolent causes as may be determined by the Board.
6. To provide a caring and enjoyable environment and promote the spirit of camaraderie which should prevail in the surf life saving movement.
7. To do all things as are incidental or conducive to the attaining and fulfilling of these objectives having regard to our public standing.

Major Awards

CHARLES CHRISTENSEN MEMORIAL AWARD FOR JUNIOR MEMBER OF THE YEAR – JADE DERWIN

Jade is already leaving a lasting impression on everyone she encounters in surf life saving. In her first season as a Bronze Medallion holder and at just 16 years old, she completed 93 hours on patrol, obtained the ART award, became a rookie trainer on the Education Team, assisted with Skills Maintenance and was a member of the Event Medical Team.

What sets Jade apart is the way she brings joy, encouragement and a sense of purpose to everything she does. In doing so, it strengthens not only their patrol, but the broader club culture, reminding others why they volunteer and what it means to be part of Surf Life Saving.

Jade is a person that represents the very best of the next generation, committed to community safety, a drive to learn, and deeply invested in the people around her. Jade's achievements are remarkable not only for their breadth, but for the intent behind them: a consistent desire to learn, contribute and make a difference.

STAN MCDONALD MEMORIAL AWARD FOR MOST OUTSTANDING CLUB OFFICIAL – AMBAR MADDOX

In her first season leading Education at North Bondi, Ambar brought a calm, consistent and deeply thoughtful style of leadership that transformed not only the quality of training within the club, but the experience of the members undertaking it. Ambar has an extraordinary ability to quietly identify what people need and build solutions that genuinely strengthen both our people and our club.

Leading the rollout of Lifesaving CPR to more than 650 members, Ambar ensured that the program became far more than a compliance requirement. Through tireless work, engaging delivery and unwavering standards, she created training environments where members felt confident, supported and inspired to learn. Members consistently left sessions not only more capable lifesavers, but more connected to the purpose behind what we do.

Ambar personally delivered around 30 training sessions, contributed more than 90 hours of instruction alone, developed resources and communications that simplified complex change, and nurtured a positive, inclusive and highly capable Education Team. Her leadership uplifted and re-ignited experienced trainers, welcomed younger members into education pathways, and strengthened the future of training at North Bondi for years to come.

Following the December 14 tragedy, Ambar provided calm and compassionate support to our President, first responders and members during one of the most difficult periods in our club's history.

As always, she simply saw where support was needed and got to work helping people.

What makes Ambar exceptional is not only what she achieved, but how she made people feel while doing it – supported, capable, valued and better than they thought they could be.

PATRON'S AWARD FOR MOST OUTSTANDING CLUB MEMBER – AMY HANNA

Since joining North Bondi, Amy has become one of the most respected, trusted and admired members of our club. A Patrol Captain, a leader in Lifesaving, both in our Club and Sydney Branch, trainer, mentor, competitor and friend to so many, she consistently leads with generosity, humility and action.

Amy is someone people turn to when they need guidance, support or simply someone who will listen. She has an extraordinary ability to bring people together across every generation of the club. from youth members and active patrollers to Life Members and long-serving volunteers, making people feel valued, connected and proud to belong to North Bondi.

Her contribution to lifesaving and member development has been immense. From education delivery development to patroller upskilling, mentoring emerging leaders and strengthening communication and support systems across patrols, she has helped build a safer, stronger and more united club community.

Following the Bondi terrorist attack, Amy's leadership and care became a pillar of support for first responders, for club members and the broader community. Through extraordinary coordination, well-being advocacy and relentless support, she helped guide our surf club, and our colleagues at Bondi, through an extremely difficult period.

Most importantly, Amy embodies the spirit of volunteer surf lifesaving. Giving endlessly, always putting community before self, and inspiring all of us to do the same.

President's Report

Strength Through Service

This has been a year unlike any other in the history of North Bondi Surf Life Saving Club—a year that tested us, united us and reminded us why this club exists.

On 14 December, our community was forever changed by the terrorist attack at Bondi.

As a club founded on service, compassion and respect for all people, we stand with the Jewish community and with everyone whose lives were forever changed that day.

Today we remember:

Matilda	Boris Tetleroyd
Rabbi Eli Schlanger	Tibor Weitzen
Boris and Sofia Gurman	Tania Tretiak
Reuven Morrison	Edith Brutma
Peter Meagher	
Marika Pogany	
Dan Elkayam	
Alexander Kleitman	
Rabbi Yaakov Levitan	
Adam Smyth	

To their families, friends and loved ones, we continue to offer our deepest condolences.

In the hours that followed, North Bondi members stood shoulder to shoulder with fellow surf clubs, emergency services and first responders. Whether providing immediate assistance, supporting emergency operations or simply caring for those affected, our members demonstrated the very best of surf lifesaving.

The events of that day will remain with many of us forever. Yet they also reminded us that courage is often found in ordinary people who simply choose to help.

Sadly, the months that followed brought further heartbreak to our club family with the loss of our North Bondi Nipper, Nico Antic following a shark attack.

Nico was part of the fabric of this club. His passing touched every generation of North Bondi, from our youngest Nippers through to our Life Members. Our thoughts remain with his family, his friends and everyone who loved him.

During the same season, we also witnessed an extraordinary example of courage from one of our own. North Bondi member Charlie Verco displayed remarkable bravery in coming to the aid of Leah Stewart following the shark attack at Coogee.

Charlie's instinctive actions, performed without hesitation and with complete disregard for his own safety, exemplified everything surf lifesaving stands for. We are immensely proud to call him a North Bondi member.

These events remind us that surf lifesaving is about much more than patrol hours and competition results. It is about people. It is about service. It is about being there when others need us most.

While this year brought moments of profound sadness, it also reminded us of the incredible strength, resilience and spirit that exists within our club. It is those qualities that have allowed North Bondi not only to endure, but to continue to thrive.

A Year of Achievement

Over the past twelve months the Club has continued to thrive.

Our patrol operations, led by David Freedman and our dedicated Patrol Captains, once again delivered an outstanding season. Thousands of beachgoers were kept safe through countless preventative actions, rescues and first aid responses. Their professionalism, leadership and commitment remain the backbone of this club.

Our education and training programs continue to flourish. Under Ambar Maddox and her exceptional team of trainers, we are developing the next generation of lifesavers while ensuring our experienced members continue to build their skills. The future of our club is in very capable hands.

Our Nippers program remains one of the largest and strongest in Australia. Beyond teaching surf awareness and lifesaving skills, it develops confidence, resilience, teamwork and friendships that last a lifetime. To every Age Manager, Water Safety volunteer and coordinator, thank you for your extraordinary commitment.

Across every competitive discipline from surf boats, IRBs, board and ski, beach events and the pool, our athletes have represented North Bondi with distinction. Congratulations to John Clothier, Jim Walker and our outstanding coaching team for continuing to foster a culture of excellence.

Off the beach, our club continues to thrive as one of the most vibrant community organisations in Australia. Our social calendar has gone from strength to strength thanks to the outstanding work of Elle, Derv, Maeve and Jordan, whose creativity and enthusiasm have brought members together throughout the year.

Our merchandise team, Annie Zieme, Lulu Wise, Pip Holst, Mary Raymond and Mel Hamilton, have continued to strengthen the North Bondi brand while producing merchandise our members wear with pride.

Thank You

None of what we achieve happens by accident.

It happens because of volunteers who give their time, experience and passion to this club every single day.

I would like to sincerely acknowledge our Board:

Scott Averay – Finance	David Freedman – Life Saving
Greg Bodkin – Administration	Ambar Maddox – Education
John Clothier – Surf Sports	Jimmy Spencer – Operations
Phil Suriano – Sponsorship	Alex Goold – Youth

Thank you for your leadership, wisdom and commitment throughout the year.

I would also like to acknowledge our General Manager, Julien Palmer, whose leadership continues to drive the club forward, together with his outstanding team. Thank you to Sophie Thompson and Tanya Klujin for delivering exceptional functions and events; Sarah Pignatelli for her leadership of our bar operations; and Bec Mancini and Pip Holst, who quietly keep the engine room of the club running every day.

Finally, I extend our sincere thanks to our major sponsors: Your partnership enables us to continue delivering world-class lifesaving, education, sport and community programs.

Shaw and Partners	JetDryer
Raine & Horne	Intermain
Audi Centre Sydney	Venroy
Landmark	Woolworths Metro
Oceana Funds	Lurpak & Mayers Fine Foods
EverAu	

Looking Ahead

As we look ahead, our focus remains clear:

- To continue delivering excellence in lifesaving.
- To support and grow our membership.
- To strengthen our connection with the community.
- To uphold the values that have defined North Bondi for generations.

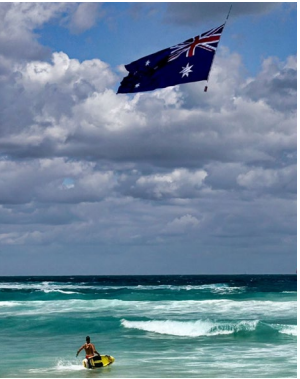

This year has reminded us that the true measure of a surf club isn't found in trophies, buildings or balance sheets. It is found in its people:

- In those who answer the call to patrol before sunrise.
- In those who teach the next generation.
- In those who volunteer countless hours behind the scenes.
- In those who, when faced with the unthinkable, simply step forward to help.

That is the North Bondi I know. That is the North Bondi we are all proud to belong to. And that is the North Bondi that will continue to serve this community for generations to come.

READY AYE READY

STEVE LARNACH
PRESIDENT

Patron's Report

It is an honour and a privilege to present this Patron's report to the membership of the North Bondi Surf Life Saving Club, which I have been a member of for over 60 years.

This year we have had to deal with some extreme challenges, and our membership has responded in a manner befitting our club motto, Ready Aye Ready.

On 14 December 2025, I arrived home from the surf club to a popping noise which sounded like fireworks. Vicki and I walked onto our veranda, and we were shocked to witness the terrorist attack that was taking place in the park opposite. It was unbelievable to think that a tragedy like this could occur at our beloved Bondi Beach. We were both traumatised! However, the way our members responded to this challenge was outstanding, treating the injured and consoling the bereaved. Our surf club became an Emergency Department treating the wounded throughout the night. North Bondi members worked alongside fellow Bondi Surf Club members, emergency services and first responders, providing lifesaving treatment, supporting emergency operations and offering refuge to hundreds of people. Their courage, professionalism and compassion demonstrated the core values of our club motto and surf lifesaving – service, selflessness and community.

Our President took the lead with the Club's response in the aftermath of the attack. The Club honoured those who lost their lives and expressed solidarity with the Jewish community and all those affected. Post traumatic counselling was held at the club for members and the community who were impacted by this terrible event. The consultation and bereavements are ongoing. You can be well pleased at the way our members responded to this horrific attack.

Our second challenge came from the increasing presence of sharks at our beaches and in our waterways. The attack on young Nipper Nico Antic was a massive shock and sadly he lost his life. It was an unimaginably tough time for the Antic family and Nico's peers in the under 13 age group, but it was great to see the Bondi Community come together to show their support.

In another shock, a young mother was attacked between the flags at Coojee Beach. One of our members, Charlie Verco was on hand to rescue the victim, from the attack by a 3-4m Great White shark with little consideration for his own safety.

Eyewitnesses recounted that without Charlie's commitment to saving her life, this young mother would certainly not survived. This lady is now recovering thanks to the actions of Charlie and other lifesavers. While many swimmers are more cautious about swimming the across the bay, surf lifesaving has responded to this new challenge by introducing Drone Surveillance of beaches. Our ongoing commitment is the safety of swimmers and protection of the general public.

Life Membership in our club is only granted for exceptional and ongoing service. In the history of the club, a total of 76 Life Memberships have been granted and 25 of those are still living. I am fortunate to have known the three recent inductees since they joined the club. In consequence, I can say the new Life Members, Peter Colquhoun, Mathew Hamilton and Serge Vegh, are worthy recipients of this honour.

Our patrol teams, led by David Freedman and the Patrol Captains, delivered another exceptional season of preventative actions, rescues and first aid responses, ensuring the safety of thousands of beachgoers. However, the performance of our patrols is a function of training and preparation, and that is why education was a major focus throughout the year.

North Bondi successfully implemented Surf Life Saving Australia's new CPR Skills Maintenance program, requiring over 300 volunteer training hours to deliver practical training to more than 650 members. Investment in Bluetooth-enabled CPR manikins improved training quality, and 98% of active patrollers completed skills maintenance by the end of November. The Club also trained 67 Surf Rescue Certificate holders, 66 new Bronze Medallion holders, 46 Advanced Resuscitation Techniques operators, 25 IRB Crew members and 19 Silver Medallion recipients. Several long-serving trainers and assessors were recognised for 10 and 15 years of service, reflecting the strength of the Club's education team. Our exceptional Education team is mentioned throughout this report. At our Presentation Day, it was my pleasure to present Ambar Maddox with the award for most outstanding club official, and Amy Hanna with the Patrons Award for the most outstanding club member. I would also give a special thanks to Jodie Salmon, who is always helping behind the scenes. These three exceptional members, and their team, set the standard for us all to follow.

The Nipper program remained one of Australia's largest, and in my opinion best organised as it continues to develop young lifesavers while fostering confidence, resilience and lifelong friendships. Across surf sports, North Bondi enjoyed another successful season, winning 18 medals at the Australian Championships and 17 medals at the NSW State Championships.

Youth competitors, particularly the Under 15 girls, were standout performers, while participation continued to grow across beach events and Masters competition with Talbot Henry, Rique Miroshnik, Joel Maybury, Eloise Starr and Sophie Thompson leading by example.

The terror attack in December, strengthened the club's role as a community hub for healing and compassion. Also, social events, fundraising initiatives, sponsorships and member engagement were a priority. The social committee expanded the club's events calendar, while the merchandise team continued to strengthen the North Bondi brand. Signature events such as the Oceana Funds North Bondi Swim Classic attracted more than 700 participants and showcased the professionalism of the Club's water safety teams.

I would like to recognise the contributions of our President, who has led by example, the Board, General Manager Julien Palmer, Sophie Thompson, staff, patrol leaders, medical teams, volunteers and office support personnel, whose collective efforts underpin the Club's success. And also, a special thanks to our major sponsors for their continued support of lifesaving, sporting and community programs.

Looking ahead, North Bondi Surf Life Saving Club remains committed to delivering excellence in lifesaving, education, competition and community engagement. While the tragic event in December will always form part of the Club's history, it does not define us. What does define us is the manner in which we responded to that and other challenges throughout the year. The Club looks to the future with optimism, resilience, pride and confidence, committed to protecting our beach, strengthening membership and upholding the traditions of service, courage and the community that have defined North Bondi for generations. On a personal note, I would like to thank the many members for their support in helping us to deal with Vicki's health challenge, we remain confident that she will make a full recovery - Thank You!

**DR GARY SHIELS AM
PATRON**

Awards of Excellence

MAJOR AWARDS

Charles Christensen Memorial Award for Junior Member of the Year - **Jade Derwin**

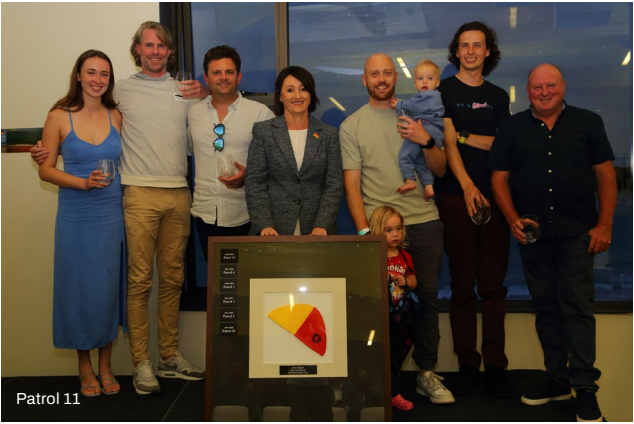

Charlie Christensen joined North Bondi SLSC in 1947 aged 27 and his greatest devotion was to surf lifesaving with nearly 70 years of continued membership. He twice served as captain and then for 12 years as president, and thereafter as a patron of the club until his death. Charlie helped steer the surf club through many great changes including the introduction of Nippers and women to the club. In 2002 he was awarded the OAM for services to the lifesaving movement and the community. Charlie was passionate about the fact that the members are the most important part of our club and that the junior members are the key to long-term success

Stan McDonald Memorial Award for the Most Outstanding Club Official - **Ambar Maddox**
Stan McDonald joined North Bondi in 1912. Following his appointment as Bondi Beach Inspector he transferred to the Bondi Club and became a surfing legend winning many awards for surf rescues. Stan's son Bas donated the trophy during his father's life. Son Neil carries on the family tradition by making an annual donation for this award.

The Patron's Award for the Most Outstanding Club Member - **Amy Hanna**
This award is given to the most outstanding club member of the year on the basis of 100% participation in patrols, competition, education and other club activities. It is considered the pinnacle of our major awards.

LIFESAVING

Stewart Bailey Award Most Outstanding Contribution to Lifesaving Support - **Michael Nearhos**
Stewart obtained his bronze medallion in 1978 and continued to gain most higher awards available to him over many years. One of the original 2 IRB drivers in 1979 which meant patrolling every weekend for 3 seasons. Stewart has also been a Crewman on the Westpac Lifesaver Rescue Helicopter since 1986. He has held many Club positions including Chief Instructor & IRB Captain and has been our gear steward and radio officer for over 20 years. Has trained and assessed many new candidates to the Club and Sydney Branch during his membership. Life Membership of North Bondi SLSC was bestowed in 2001 and in the 2022 Australia Day Honours List was awarded the Emergency Services Medal (ESM) due to his exceptional service to North Bondi and Surf Lifesaving as a movement.

John Regan Memorial Award for Patrol Of the Year - **Patrol 11**
John "Pud" Regan was a Life Member, respected club member and a gifted swimmer, who was a member of North Bondi for over 60 years before his passing in 2006. John held many senior positions including President of Nippers and later on Race Secretary/ Handicapper for many years. John also had the honour of being the "doorman" for the Queen at the Royal carnival held on Bondi Beach.

Jack Chalmers Memorial Award for Lifesaver of the Year - **Jeremy Garling**
This is awarded to an active patrolling member that has made significant contributions to lifesaving during the season. The award is named in honour of Life Member Jack Chalmers. Jack was instrumental in the rescue of Milton Coughlan on 4th February 1922 at Coogee Beach. It was noted as an act of exceptional and unexcelled bravery that Chalmers swam to the aid of Coughlan after he had been attacked by a shark. He received the highest civil award for his actions being the Albert Cross (later represented to him by Her Majesty Queen Elizabeth in 1972 as the George Cross). He also received commendations from the Royal Humane Society & Royal Life Saving Society. His demonstration of the ideals of Vigilance & Service saw him receive Surf Life Saving's first ever Meritorious Award.

The Kitzler Galgut Award for Most Outstanding Member of the IRB Section - **Harrison Stein**
Gunther Kitzler was one of the founding members of the North Bondi IRB section in the early 1980's and was instrumental in bringing the IRB's onto patrol as well as training new drivers and crew in the early years of IRB's in surf lifesaving. Amongst other activities, he participated in regular patrol driving, was a founding member of the 24 hour call out team and led the North Bondi IRB racing section. In the late 1990's Gunther handed over the running of the North Bondi IRB section to Raille Galgut, who for over 20 years has helped to keep the section functioning well. He has invested countless hours of his time ensuring the motors run and the IRB's are safe and functioning while helping to train the next generation of IRB drivers and crew. This award recognizes both Gunther's and Raille's contribution and dedication to the IRB section.

The Most Outstanding Contribution to Patrol Support - **Jodie Salmon**

EDUCATION

SRC Candidate of the Year - **Zac Arms**

Bronze (15 - 18) Candidate of the Year - **Jade Derwin**

Jenny Anderson Award for Bronze (Adult) Candidate of the Year - **Senta Hoyne**
Jenny was one of the first two females to gain the Bronze Medallion and become an active life-saver at North Bondi. She was the joint recipient of the Best Bronze Medallion in 1980.

In a short time, she became a trainer, examiner, Patrol Captain, and competitor. Not stopping there she became our first Female Chief Instructor, President of Nippers, and Life Member. Through all her contributions, Jenny has made a lasting impact on education, standards, and culture within the Club.

Rookie Traning Officer of the Year - **Matt Wood**

Gaye Rosen Award for Training Officer of the Year - **Jodie Salmon & Michael Nearhos**
Gaye was one of the first two female Bronze Medallion holders at North Bondi, and quickly went on to be an instructor, examiner, Patrol Captain, competitor, and a strong advocate for women's inclusion in surf lifesaving.

She was the first female instructor (trainer) and applied academic expertise to lifesaving, in-cluding developing innovative resuscitation training techniques based on real patrol experi-ence. She was one of the first females to achieve long service and continued contributing to the club for many years.

Charlie Matthews Award for Assessor of the Year - **David Freedman**

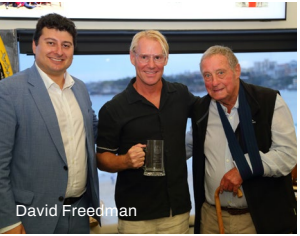

Charlie took on the role of Chief Instructor during a challenging period for the Club. In the six years he was in the role he provided leadership through many changes, including the integra-tion of women into surf lifesaving. He was an examiner (Assessor) for over 20 years including 17 years at North Bondi. Charlie continued contributions in other areas, including March Past for many years after.

Charlie has been part of Surf Life Saving for over 60 years, and for many years was a key figure in early strategic efforts that shaped the Club's future.

Darren Palmer Award for Squad of the Year - **BM1**
Darren has been training lifesavers at North Bondi for over 40 years and has played a role in educating thousands of Bronze Medallion candidates in this time. He has been a key part of the IRB team over this period and was made a Life Member in 2014 in recognition of his service to the Club.

Bob Peterson Memorial Award for the Most Outstanding Member of the Education Team - **Erik Haggstrom**
Life member Bob Peterson attained every lifesaving award and distinction that was available to a proficient surf lifesaver and patrol captain. He was directly responsible for saving countless lives. He was an outstanding instructor and, with Bruce Purdy, trained junior and senior R&R teams.

Carl Melvey Award for Excellence in Further Education in Life Saving (Senior) - **Glenn Clark (Junior) - **Jade Derwin****
Life member Carl Melvey was the Chief Instructor from 1974 to 1977. Along with Bruce Purdy, he instigated the use of oxygen on patrol, and with Dr Ian Mackie they set up the Advanced Resuscitation Certificate in 1975. Carl was very passionate about education at the Club. This award highlights both a senior and junior member of the club that has gone onto significantly develop their lifesaving skills during the season.

Awards of Excellence

SURF SPORTS

Warwick Morieson Memorial Award for Outstanding Contribution to March Past - **Madison Mancini & Francoise Gould**

Warwick was North Bondi's President from 1998 to 2003 and elected as a Life Member in 2004. Warwick marched in our successful teams in the 60's and resurrected the march past at North Bondi in the mid 90's.

The Ken Hiscoe Award for the Most Outstanding Under 17 Competitor - **Ruby Cregan**

This award named in honour of 60-year member Ken Hiscoe MBE recognises the Most Outstanding Under 17 Competitor. Ken won multiple Australian titles in surf teams and R&R. Notably, he was a 7-time Australian squash champion and won a world championship in 1963. He always maintained a keen interest in competition at North Bondi throughout the years.

The Tony Hamilton Award for the Most Outstanding Swimmer - **Mia Hoo**

This award named in honour of Life Member and North Bondi stalwart Tony Hamilton recognises the most outstanding swimmer. Tony has been a force at the Club for more than 60 years and is strong supporter of ocean swimming and ocean swimmers.

John Newcombe Memorial Award for the Most Outstanding Commitment to Competition - **Lexie Tait**

John Newcombe gained his Bronze despite childhood Polio. He was an active and involved club member who swam at all club and open surf carnivals. He won many awards including clubman award, Bondi amateur swimming club award and several prestigious wins in the Presidents cup. He carried out gear steward duties for eight years at a time where there were eighteen reels, line and belts and gave years of his life to unofficial service. This award is donated by Australian teams champion John Cunningham.

The Alan Pearson Memorial Award for the Most Improved Competitor - **Jack Breasley**

Alan was a Life Member of the club who committed his time in the club providing support and training to nippers and juniors, inspiring them to continue through the ranks to achieve results not only in competition but in their lives.

The Ted Smiles Award for the Most Outstanding Contribution to Surf Boats - **Sarah Pignatelli**

Life Member, Ted Smiles, was a physical education and boxing instructor as well as boat captain, surf boat rower and twenty-year veteran coach of nine Australian championship teams. The Smiles family are 4th generation club members.

The Peter Smiles Memorial Award for the Most Outstanding Junior Competitor - **Lucy Gladstone**

Life Member, Peter Smiles was an outstanding, highly popular water sportsman who won Australian titles and places in open surf, teams, Malibu and board relays. He competed at the top level starting from juniors for 40 years. Peter was the third Life Member in the Smiles family following grandfather 'Snowy' and father, Ted Junior.

Paul Cunningham Memorial Award for the Most Outstanding Coach - **Rique Miroshnik**

Paul was a long serving member whose life was the club, competing through the years in surf boat rowing to win State and Australian titles and then coaching young members of the club from upstarts to the top level of rowing achievement.

Most Outstanding Masters Competitor - Female - **Sophie Thomson**

Bill Gill Memorial Award for the Most Outstanding Masters Competitor - Male - **Ross Langbein**

Bill was a long serving member and Life Member of the club. He dedicated his efforts to providing unparalleled training and support to the young potential board paddlers of the club over many years.

The Don Martin Memorial Award for the Most Outstanding Competitor - **Mia Hoo**

Life Member, Don Martin is rated one of our top club captains and officials. A strong hand when required, a helping hand if needed, a great personality and a North Bondi legend. An outstanding competitor, Don won Branch, State and Australian titles in surf teams, surf boats, and march past. He was also an enthusiastic coach. This trophy was donated by his widow Pat and brother Ted.

STANAND BASIL MACDONALD RELAY

Peter Smiles Medal for Fastest Time - **Jack Breasley**

Husain Gholami Memorial Medal for Fastest Rookie Time - **Sam Cregan**

SUNDAY SWIMS

Brent Harding Memorial Award for the A Grade Point Score Winner - **Brian May**

Jim Wilkinson Memorial Award for the B Grade Point Score Winner - **April Campbell**

The Bill Jobling Memorial Award for the C Grade Point Score Winner - **Robert Regan**

Bill Willis Memorial Trophy for the Across the Bay Swim Champion - **Robert Regan**

SURF LIFE SAVING SYDNEY AWARDS OF EXCELLENCE

North Bondi was well represented at the Surf Life Saving Sydney Branch Awards of Excellence. The Junior event was held on Saturday 30 May at the Ritz Cinema and the senior event on Saturday 4 July at the Novotel Sydney Brighton Beach. Congratulations to all our nominees, and special mention to those who won awards.

YOUTH

Nominations

Junior Development Team of the Year: **U12 Female Surf Teams** - Isabel Christie, Emerson Hoo, Zuri Felix, Aveline Brown.

Under 15 Athlete of the Year: Lucy Gladstone

Female Athlete of the Year (U9): Kenzie Maybury

Female Athlete of the Year (U13): Sienna Maybury

Male Athlete of the Year (U9): Ben Goldrich

Male Athlete of the Year (U10): Slater Le Roux

Male Athlete of the Year (U11): Beau Anderson

Male Athlete of the Year (U12): Angus Gladstone

Male Athlete of the Year (U13): Jagger Michael

Male Athlete of the Year (U14): Patrick Gisz

Winners

Female Athlete of the Year (U10): Mia Christie

Female Athlete of the Year (U11): Somerset Elle Dovey

Female Athlete of the Year (U12): Azzuri Felix

Female Athlete of the Year (U14): Mia Hoo

Age Manager of the Year: Kate Joseph (KJ)

OPEN

Nominations

Lifesaver of the Year: Harrison Stein

Youth Lifesaver of the Year: Cynthia Baker-Barden

Young Volunteer of the Year: Jade Derwin

Trainer of the Year: Ambar Maddox

Assessor of the Year: David Freedman

Facilitator of the Year: Jodie Salmon

Masters Competitor the Year: Sophie Thomson

Winners

Volunteer of the Year: Amy Hanna

Patrol Captain of the Year: Jodie Salmon

Rescue of the Year: Bondi & North Bondi

Patrol of the Year: Patrol 11 - PCs Marcel Kwantes & Charlotte Ross

Lifesaving

Lifesaving

As we reflect on the 2025/26 patrolling season, we do so with immense pride, gratitude and deep respect for the extraordinary members who stand together as North Bondi Surf Life Saving Club.

Every patrol, every rescue, every preventative action and every act of service represent something greater than volunteer hours alone. It represents commitment, courage, community, and extraordinary people choosing, time and time again, to put others first.

This season reminded us that lifesaving extends far beyond the shoreline.

Season Highlights

Rescues and Preventative Actions: Across the season, our dedicated volunteer lifesavers performed countless rescues, preventative actions and first aid responses, protecting beachgoers and ensuring North Bondi remained a safe place for our community to enjoy. However, no moment defined this season more profoundly than the events of December 14.

On that day, North Bondi members responded with extraordinary courage, calmness and humanity during an incident that impacted our community deeply. Lifesavers and club members acted instinctively and selflessly, drawing upon their training, skills and commitment to service in circumstances few could ever prepare for.

Members provided lifesaving treatment and first aid to victims, comfort and reassurance to those affected, and our Club became a place of vital safety and refuge for more than 250 people seeking protection and support.

In moments of uncertainty and distress, our volunteers embodied everything surf lifesaving stands for through their courage under pressure, care for others and an unwavering willingness to respond.

To every member for your tireless lifesaving on and off the beach this season, thank you. Your actions reflect the very best of North Bondi.

Community Engagement: From educating beachgoers on water safety to supporting community events, our patrolling members continue to strengthen not only our Club, but the wider community around us.

A season highlight was once again the Oceana Funds North Bondi Swim Classic, held on Sunday 8 February 2026. With more than 700 swimmers participating across the 1km and 2km events, the day was another tremendous success. Time and again, participants spoke

of the exceptional standard of water safety provided. A reflection of the preparation, professionalism and dedication of every volunteer involved.

To our water safety teams, support operations, board paddlers, swimmers and volunteers both visible and behind the scenes, thank you. Events like these succeed because of your commitment and teamwork.

Throughout the year, our medical team also proudly supported North Bondi RSL's Remembrance Day and Anzac Day services, Waverley Shield and the Oceana Classic, providing first aid support to the community. While thankfully no major incidents occurred, numerous members of the public received care and assistance across these important commemorative events.

Communications: Connection strengthens community, and this season our lifesaving communications once again played an important role in bringing members together. Wave Hello to the Weekend and the Weekend Wrap continued to inform, celebrate and connect members across every area of club life. Through stories, photos and updates, these communications strengthened engagement, fostered belonging and reminded us of the collective effort that underpins everything we do.

A heartfelt thank you to Jodie Salmon for her passion, creativity and ongoing commitment to sharing our stories and celebrating our people. Your work continues to strengthen our Club community and showcase the spirit that makes North Bondi special.

Recognizing Our Volunteers

Behind every rescue, every preventative action and every moment of vigilance on the sand stands a volunteer. People who give their time freely, train tirelessly, and step forward when others need help.

To every patroller, PC, VC, ART, IRB team member, first-aider, water safety volunteer and support member who contributed this season, thank you. Your efforts matter. Your commitment saves lives. Your contribution strengthens this Club and the community we serve.

With sincere appreciation, I would also like to personally recognise and thank our team leaders for their dedication throughout the season:

- Amy Hanna & Andrew Milne – Club Co-Vice Captains
- Micheal Cunningham – IRB Captain

- Stewart Bailey & Marcel Kwantes – Gear Stewards
- Jayne Senior & Adam Thorp – First Aid Officers
- Michael Nearhos & Jane Cichero – Event Medical Team Coordinators
- Patrol Captains, Vice Captains, IRBD/C operators, ART operators and volunteer lifesavers across every patrol
- Angela Galgut – Patrol Support
- Bec Mancini & Julien Palmer – Office Support

North Bondi is stronger because of people like you.

Looking Forward

As we move into the 2026/27 season, I remain committed to fostering a supportive, inclusive and resilient volunteer community.

More than ever, I want to continue strengthening connections across our membership. One of the greatest privileges of this role is patrolling alongside our members, getting to know people, sharing experiences and standing shoulder to shoulder as part of something bigger than ourselves.

Titles aside, I am proud to wear the red and yellow alongside each of you, and together, we will continue to protect our beach, educate visitors, support our community and uphold the proud traditions of North Bondi.

Thank you for everything you have given this season.

I look forward to standing alongside you again next year as we continue safeguarding our shores, strengthening our bonds and building on the legacy and service that defines North Bondi.

Always. Ready Aye Ready.

IRB Report

It is a privilege to present my first report as IRB Captain following an exceptionally busy and successful 2025/26 season. Building on the strong foundation left by Anthony Berman, our section has continued to serve as the vital “workhorse” of the club, ensuring the safety of our members and the public across a demanding calendar of events.

Season Highlights & Operational Success

The 2025/26 season saw our IRB crews provide essential water safety for a wide array of events, ranging from local Sunday Nippers to major representative carnivals.

- **Event Support:** Our team successfully navigated safety requirements for the SLSA Open and Masters competitions, Nipper Branch, State, and the Australian IRB Championships.
- **Ocean Swims:** We maintained a presence at various ocean swims, providing a reassuring safety net for competitors in often challenging conditions.
- **Collaborations:** Building on the initiative started last year, our collaboration with the Bondi IRB section on motor maintenance masterclasses has gone from strength to strength, significantly improving our in-house mechanical skills and motor longevity.

Fleet Upgrades & Equipment

A major highlight this year has been the significant investment in our rescue capabilities. To ensure our response times remain elite and our equipment is reliable, we have overhauled our motor inventory.

- **New Power:** We have successfully commissioned two new engines that are now fully rescue-ready and in active service.
- **Futureproofing:** To maintain our operational standards into the next year, an additional two engines and one Thundercat hull are on order for delivery for the 2026/27 season.
- **Shed Management:** A special thank you to Nish, whose quick actions during recurrent “1 in 100 year” high tides saved our precious hulls and motors from salt-water damage.
- **Reliability:** Huge appreciation to Gerry Stephenson, whose dedication to keeping our gear fuelled and maintained ensures we never miss a beat.

Training and Development

A primary focus this season was expanding our operational capacity to meet increasing demand.

- **Winter Training:** We successfully ran dedicated driver and crew courses during the off-season, resulting in a healthy intake of new, qualified members.
- **Proficiency:** The section maintained a 100% proficiency rate, with all current drivers and crew acing their assessments early in the season.
- **Future Growth:** We continue to mentor the next generation, working closely with the Sunday Nipper team to ensure the “future surf lifesavers” of our club are supported.

Awards and Recognition

The spirit of our section is best exemplified by our new and long-serving members.

- **Raille and Mike Galgut:** This recognition is a testament to 28+ years of unwavering service and dedication to the IRB section. Their legacy continues to shape the culture of our crew and sets the standard for all who join the section.
- **New Training Crew:** A huge welcome and thank you to Harrison Stein, Cynthia Baker-Barden, and Jade Melvey-Lester (Probationary Trainer) for stepping up and contributing to the growth of our team.
- **Behind-the-Scenes:** To the many members who put in the early mornings and extra hours – often without public recognition – your service is the backbone of this club.

Looking Ahead to 2026/27

As we look toward the next season, our goals are clear.

1. **Retention:** Keeping our newly qualified drivers engaged through advanced skill sessions.
2. **Modernisation:** Integrating the four new engines and the Thundercat hull into our rotation to phase out older units.
3. **Safety First:** Maintaining our proactive approach to beach safety and emergency response.

Thank you to the entire IRB crew and the broader club committee for your support during my first year in this role. I look forward to seeing everyone back on the water for 2026/27.

Event Medical Report

The 2025/2026 season was a busy one for the Event Medical Team, and the second year under our refreshed team and approach following changes in SLS requirements.

The Event Medical Team successfully carried out its mission to provide medical first aid support for our major events. This included the Oceana Funds North Bondi Swim Classic, Waverley Shield Nippers Carnival held at North Bondi, as well as the Remembrance Day and ANZAC Dawn Services supporting North Bondi RSL.

We are fortunate to have an enthusiastic group of volunteers drawn from the medical profession including doctors, nurses, dentists, plus highly qualified trainers, ART and Bronze/First-Aid award holders, as well as SRC runners, who dedicate their time to events.

On behalf of the Club, we would like to thank these members. We are very grateful for your support as is the community we serve. Your donation of time and skill enables the continuous development of the NBSLSC Event Medical Team.

Education Report

This season was one of the biggest and most rewarding education seasons that North Bondi has seen. The major focus this year was the rollout of the new Lifesaving CPR Skills Maintenance program, representing the biggest change to Skills Maintenance in recent history. Introduced by Surf Life Saving Australia, the program aims to improve CPR outcomes and double survival rates from cardiac arrest, increasing survival from 25% to 50%, reinforcing the critical role surf lifesavers play.

Rolling this out across a club the size of North Bondi was no small feat. As one of the largest cohorts in the state, the rollout required more than 300 face-to-face volunteer training hours, alongside countless behind-the-scenes hours coordinating delivery to more than 650 members.

Sessions focused on practical, scenario-based learning designed to build confidence in real emergency situations. Feedback from members was overwhelmingly positive, with many commenting that they left the sessions feeling significantly more confident in their ability to provide effective CPR in an emergency.

A large part of this success was the Club's investment in new Bluetooth-enabled manikins, which provided real-time feedback on compression depth, speed and accuracy. For many members, this was the first time they had received live performance feedback while performing CPR, proving invaluable in embedding the new standards and improving member confidence.

Thanks to the commitment of our trainers, North Bondi also completed Skills Maintenance earlier than ever before, with 98 percent of Active Patrollers and Long Service Active members being marked as proficient by 30 November, an outstanding achievement for a club of our size.

Outside of Skills Maintenance, the breadth of education delivered this season was exceptional:

- 67 members completed their Surf Rescue Certificate (SRC)
- 48 members transitioned from SRC to Bronze Medallion (BM), alongside 18 new adult BM holders joining the Club
- 46 members achieved their Advanced Resuscitation Techniques (ART) award
- 25 members completed Inflatable Rescue Boat (IRB) Crew qualifications
- 19 members attained Silver Medallion awards across Patrol Captain, Aquatic Rescue and IRB Driver pathways

Our youth education program continued to go from strength to strength, with one of the largest youth training cohorts the Club has seen in recent years. A special thank you to Erik Haggstrom and the broader training team for leading such a significant youth program throughout the season.

This season also saw several members recognised for their long-standing contribution to education and training within the Club. Glenn Clark received both his 10 Year Assessing Service Certificate and 10 Year Training Service Certificate, while Jodie Salmon, Paul Hotton, Julian Peterson, Megan Rumford, David Tinworth, Stephen Fogwill and Mikey Nearhos each received recognition for 10 years of Training Service. Debbie Midwinter was recognised for an exceptional 15 years of Training Service.

These members, along with all the senior members of our Education Team who continue to contribute year after year, deserve special recognition for their ongoing commitment to training, mentoring and developing the next generation of North Bondi lifesavers.

Finally, a massive thank you to every trainer, assessor, facilitator and member who gave their time to Education throughout the season. The passion, energy and commitment shown by this team continues to make North Bondi one of the strongest education programs in Surf Life Saving, and I'm incredibly grateful for all that you continue to contribute to the Club.

Thanks again for a great season!

Surf Sports Report

There is a cyclical nature to Surf Sports. There are certain aspects we can control, others we can influence and others we have no control over at all. For many years, a successful season for North Bondi was defined as winning Branch or doing well at a smaller local carnival. In recent times, our goals have lifted, and success now looks more like Nippers or Masters winning State Championships. Opens competition has been, and will continue to be, more challenging with a few top semi-professional clubs dominating for decades.

One consistent theme on the competition front has been the steady growth of competitors from nippers through to our most senior masters. We have also seen a steady growth in our presence in beach events. Sprints and the 1km/2km beach events have been fertile ground over the past few years, growing from a very low base.

At a high level, North Bondi finished with 18 medals across Youth and Opens this season at Aussies. When unpacked further, it becomes clear that Youth drove much of this success. Opens finished with four medals overall, with two each in the water and surfing. We did, however, have 12 teams and 15 different competitors reach finals (with some reaching multiple finals) in the water section. Competition was extremely even, with many races decided within one to two waves. The female Youth cohort coming through is a very promising opportunity and may represent the tipping point for the next cycle at North Bondi.

At NSW State we finished with 17 medals from Under 15 through to Opens. Our medals were again concentrated, with the Under 15 girls in outstanding form, winning Iron, Surf Teams, Board Relay and Cameron Relay. There was a mix of beach and water medals in this haul.

Our Masters performed well, again going head-to-head with Bondi. Success and failure in Masters is highly correlated with athlete numbers and participation across all events, including surfing, beach and lifesaving events. Our Masters division comprises a mix of very committed and competitive athletes, through to some who primarily enjoy the social aspect of being part of the team. Managing this diversity is difficult, as the club's obligations are based on participant numbers.

Before we even get to the races however it is our coaches that have been working with our competitors to get the teams into shape for the races they are aiming for. Jim Walker again led the team as Head Coach doing a great job spread across a huge section of different ages and different disciplines. This year he was supported by Stewart O'Regan who invested a lot of time and effort getting the next generation of ski paddlers on the water and around the cans. It was great to see so many of the younger competitors racing skis for the first time.

Indeed, we have many volunteer coaches who help out for the longer sand races, the masters ski, masters running, boats and march past. When comparing to other clubs it is great to see so many people who are invested in giving back. We also could not operate without the incredible support from Shaw & Partners and Earl our amazing sponsor.

On the topic of volunteering we couldn't get out there without the support of our tremendous officials who give their time each

season. Thanks again for what can be a very tough, cold and long day on the beach!

As I type this, we've just hit winter and already seeing the development squads out in the water on skis and boards. I don't think the masters actually had a break with many out on the water simply because they love it and it provides a great connection to their community. Onwards and upwards in 2027!

Head Coach Report

The North Bondi Surf Sports season delivered outstanding performances, strong development across all age groups, and a culture that continues to build momentum both on and off the beach.

The season began with a committed and disciplined pre-season through the winter months. Athletes embraced gym training and extensive road running, laying a strong physical foundation that translated into performance once racing began. A particularly pleasing aspect of this period was the integration of younger athletes into sessions alongside our senior competitors. This created a high-performance environment, accelerated development, and strengthened the unity of the squad. It was also fantastic to see the introduction of development ski sessions led by Stewart O'Regan, which proved to be a great success and played an important role in building skill and confidence among our emerging athletes.

Throughout the season, our athletes travelled extensively to compete in major events, including the Shaw and Partners World Ocean Series rounds at Alexandra Headland, Manly, and Northcliffe, as well as the Shannon Eckstein Classic. These events attracted strong fields, and North Bondi was well represented, delivering impressive results and gaining valuable experience against top-level competition.

A major highlight of the season was the exceptional success of our young female athletes in the U14 and U15 divisions. Their performances at both State and Australian Championships were outstanding, securing multiple event wins and establishing themselves as a dominant emerging group within the sport.

The swim team of Kathryn Jordan, Lily Wenmohs, Lucinda Gladstone, Mia Hoo, and Gia Gregory was a standout, earning recognition as Team of the Year. Their consistency, teamwork, and results set the benchmark for excellence across the club.

Individually, Mia Hoo's victory in the U14 Ironwoman event at the Australian Championships was the defining performance of the season. This achievement was closely supported by a strong performance from Lexie Tait in the Open Female Surf Race highlighting her leadership and competitiveness at the highest level.

Across team events, North Bondi demonstrated depth and cohesion, competing strongly in the Mixed, Male, and Female Taplin Relay events. These performances reflected the strength of our squad and the commitment of athletes across all disciplines.

Our experienced competitors once again played a crucial role in the club's success. Sam Braun delivered consistent performances throughout the season, highlighted by an exceptional result at the Australian Championships where he placed 6th in the Open Male Board – a performance that stands out as one of the best of the year.

The success of the competition squad would not be possible without the dedication and support of key individuals behind the scenes. We extend our sincere thanks to John Clothier for his leadership and tireless efforts in running the surf sports program, and to Megan Rumford for her outstanding work in communication and trailer coordination. We also acknowledge our officials and trailer drivers – your commitment and support are invaluable and enable our athletes to perform at their best.

The competition squad is also incredibly fortunate to have the continued support of Shaw and Partners Financial Services, backed by their CEO Earl Evans. Your contribution plays a significant role in enabling our athletes and program to perform at the highest level. Thank you, Earl, for your ongoing support.

In summary, this season has been one of growth, achievement, and strong club culture. With a talented group of emerging athletes and a solid core of experienced competitors, North Bondi Surf Sports is well positioned for continued success in the seasons ahead.

JIM WALKER
HEAD COACH

Boat Report

The ever-evolving beast that is the North Bondi boat section certainly did not disappoint this season. What began as a modest start in September with just two rowers quickly transformed into two full crews by November – a testament to the resilience, energy, and commitment within the club.

With the all-conquering Blade Runners taking a well-earned sabbatical, and the final member of the original Shredders, Emma Heyes, relocating to Wollongong, it was clear we were entering a rebuilding phase. However, this presented an exciting opportunity to develop new talent and shape the next generation of North Bondi surf boat crews.

Following a highly successful 2024/25 season, Sarah Pignatelli and Alex Murray were eager to go again. With their leadership and experience, we began the search for suitable recruits. While traditional selection methods may no longer be permissible (the infamous “brick test” now firmly outlawed), an alternative process was devised – the details of which will, of course, remain confidential.

Lisa Adams entered the fold in suitably unorthodox fashion, bringing with her Annabelle Long. Combined with Sarah and Alex, the North Bondi Bratz were formed – a crew that would quickly make its mark.

Shortly after, two second-generation North Bondi members joined the ranks – Eliza Bodkin and Cynthia Baker-Barden, daughters of former surf boat rowers – continuing a proud family tradition within the club. With Tyler Ellis returning to North Bondi and Bernie Hughes stepping into a new challenge, the North Bondi Bombshells were born.

The Bratz, guided by the experience of Sarah and Alex, found immediate success. They claimed victories at both the Sydney Branch and Metropolitan Championships and continued their strong form through to the NSW State Final and an impressive quarter-final appearance at the Australian Championships.

The Bombshells took a more gradual path, building momentum across the season and peaking at the right time. Their efforts were rewarded with a place in the Metropolitan Championships final, along with a quarter-final berth at the Australian Championships – a fantastic achievement for a developing crew.

As always, a special mention must go to Peter Zieme, who generously gave his time officiating whenever called upon – a contribution that does not go unnoticed and is greatly appreciated.

Overall, it has been a highly successful and rewarding season. This progress has been made possible by the dedication and enthusiasm of the rowers, the ongoing support of the club board, and the generosity of our sponsor Shaw and Partners, particularly through the continued commitment of Earl Evans to North Bondi. We look forward to building on this momentum in the season ahead.

STEVE LARNACH
CLUB PRESIDENT

March Past Report

The highlight of the season was our Nipper team winning the State Title. It was a great march by a group of 11,12 & 13 year-old girls at Swansea Belmont. This is the Club's first ever Nipper March Past State Title.

Nipper “Team Pearson”
Sienna Lee (Standard Bearer). Mackenzie Mancini (Belt), Maia Onslow, Madi Mancini, Philippa Davies & Viva Teller Beddison (Reel Party), Frankie Goold & Evie Landman (Flanks), Anika Martin, Clem Finlayson, Willow Sarkozy & Sienna Maybury (Back Line).

Chloe Spencer had a sports event clash so couldn't march at State and Josephine Eagle was our reserve. Thanks to Bec Mancini with all the “behind the scenes” work for our team and the parents who helped with training and carnivals.

Our Open team, who showed great promise last year after a 5-year absence, just couldn't get it happening. We lost 3 former under 23 marchers from 2025 and just didn't recover. Hopefully we can remedy that situation for the coming season.

The Warwick Morieson Award for outstanding contribution to March Past 2026: Frankie Goold & Madi Mancini.

Thanks to our March Past officials being Peter Zieme, Narelle Clark and Mary-Jayne Tier for your time enabling us to compete at carnivals.

GRANT MCMAH OAM
MARCH PAST CAPTAIN

Masters Report

The 2025/26 season kicked off with team carnivals at Freshwater and Palm Beach before the main competition season began. The Branch Championships were contested across Maroubra, Elouera and Wanda beaches over several weekends in late January and early February. As always, it was a closely fought battle with our neighbours Bondi, and unfortunately, they edged us on the points score.

2026 NSW Masters Championships
Swansea Belmont, 25–26 February 2026

1st — Bondi — 502
2nd — North Bondi — 364
3rd — Manly LSC — 277
57 Medals: 20 Gold | 22 Silver | 15 Bronze

With the State Championships moving to Swansea Belmont this year, we improved on our 2025 placing by finishing second ahead of Manly and lifting our overall points score. The female contingent continues to grow in strength, with the women claiming 13 of the 20 gold medals and 13 of the 22 silvers. Eloise Starr was outstanding in the 40–44 Female category, taking four individual gold medals, while first-time masters competitor Sophie Thompson struck gold in both the 30–34 Female Board Race and Ironperson. Together with Miriam Salter, they finally broke through to win the 110 Board Relay at States, an event that had previously eluded them. Miriam, Eloise and Lulu also defended their Taplin gold from the previous year’s State and Australian Championships.

On the men’s side, Jim Walker claimed victory in the 50–54 Male Ski, while Jake Michael and Matt Jenkins teamed up to win gold in the 40–44 Double Ski. The standout moment, however, was Jim Walker, Andrew Dalton and Jake Clifton combining to win the 150 Taplin which was Jake’s first gold medal. Congratulations!

2026 Australian Masters Championships
North Kirra Beach, 23–26 March 2026

1st — Bondi — 324
2nd — North Bondi — 259
3rd — Noosa Heads — 222
35 Medals: 13 Gold | 12 Silver | 10 Bronze

We sent a large contingent north to the Gold Coast for the second consecutive year. Our gear arrived safely thanks to trailer drivers Jake Michael, Alex Thorpe, Mark Falzon and Angus Chard.

We again finished second behind Bondi SLSC and improved our points score. This was a strong result given that most female water events were cancelled due to heavy swell and a challenging sweep. It was a frustrating outcome with so many competitive teams ready to race. All eyes were also on Sophie Thompson and Lulu Wise to see what they could add to their growing medal tallies.

Day 1 water events were held in solid but demanding conditions. Jim Walker delivered an impressive win in the 50–54 Ski, and the 30–34 Female Board Race was a North Bondi one-two, with Sophie Thompson taking gold and Lulu Wise close behind in silver — not bad for a ski paddler! Amy Somes and Stephanie Hughes rounded out the day with a strong win in the 55–59 Female Board Rescue, finishing with an impressive run up the beach.

On the sand, Ross Langbein again dominated the 40–44 Male Beach Sprint before anchoring the 170 Male Beach Relay to gold for the third time, alongside Dean Scarff, Joel Maybury and Andrew Sharpe. The newly introduced mixed beach relay was also a success, with Ross, Dean, Gillian Worden and Kaylie McDougal – the latter two claiming their first gold medals winning the Under 200 event. Ross added further to his haul on Day 2 with gold in the 40–44 Flags.

Bigger swell and a stronger sweep on Day 2 caused significant delays and saw most women’s events cancelled, with all ski races called off. The Board Relays did go ahead, and Amy Somes, Steph Hughes and Lulu Wise put in a dominant performance to win the 130 relay by a full leg. The women also retained the 110 Taplin title. Eloise emerged from the swim with such a commanding lead that Sophie only needed to navigate the board leg around the can, before a ski-to-run substitution gave Miriam a somewhat easier finish than expected.

The men completed a full teams program, and it came as no surprise when the Michael twins combined for another 40–44 Double Ski win. North Bondi claimed gold in the 150 Taplin for the second year running, with Jim Walker, Matt Hamilton and Andrew Dalton delivering a polished performance.

Later in the week, Robert (Bobby) Yaldwyn capped off a memorable campaign with gold in the 60–69 Male Shortboard, earning his first appearance on the Honour Board.

Having set a benchmark at Aussies in 2025, we backed it up with outstanding results in genuinely tough conditions. Well done to everyone who took on the surf.

A special mention must go to our Masters Competitors of the Year, Sophie Thompson and Ross Langbein, who were involved in 7 of our 13 gold medals at Aussies – a remarkable contribution.

Thank you to all the coaches across board, swim, ski, soft sand and ironman disciplines who put in the hard work to prepare our competitors, and just as importantly, build a community that comes together to stay fit, active and connected through their love of the water and sand.

A huge thank you also to our officials, who give up their time and spend long hours on the beach so that competition can happen, we simply could not do it without you. Thank you to Mary-Jane Tier, Pippa Bachelor, Sarah Luff, David Freedman, Mikey Nearhos, Francesca Tait and Cheryl Christensen.

We look forward to next season and the trip to the Sunshine Coast for Aussies 2027!

Stan & Bas Mac Relay

Congratulations to the North Bondi “Young Guns” – what a great win for the Team and the Club, the future is very bright for years to come.

Conditions suited our team with small challenging waves with the transitions being where we developed an advantage. However, it was the skills and determination of our youthful team that was the difference on the day; at stages of the race, it was close however North Bondi eventually winning by over 4 minutes.

The 2026 team included nine “rookies” and it was a family affair with Fred and Bart Carmody, Ruby and Sam Cregan, Mia and Ethan Hoo, Harrison and George Nixon and for the first time ever a father and daughter duo of Dean and Lucy Gladstone.

Congratulations to Sam Cregan for taking out the Husain Gholami Memorial Medal for Fastest Rookie time clocking 4.41 minutes, and Jack Breasley being the fastest swimmer in a time of 4.17 minutes which in fact was the fastest swim overall between the two clubs. A big shout out to Mia Hoo and her family who juggled a full schedule over the weekend including the Stan Mac swim and 400m, 800m and 1500m pool swims, let’s make sure races don’t coincide next year Mia!

Thanks again to all those Club members that supported and came down to watch and assist in so many ways, and congratulations to all those involved. Special thanks to Charlie Verco, Peter Colquhoun and Scotty Thomson for their words of wisdom and encouragement on the day.

SIMON STORRY
TEAM CAPTAIN

2026 SQUAD

Bart Carmody	Harrison Nixon	Nick McNamara
Cooper Falzon	Jack Breasley	Ruby Cregan
Dean Gladstone	Jack Wilkinson	Sam Braun
Ethan Hoo	Kathryn Jordan	Sam Cregan
Flynn Goold	Lexi Tait	Sophie Ferenzi
Fred Carmody	Lily Wenmohs	Tim Senior-Skinner
George Nixon	Lucy Gladstone	
Hamish Donkin	Mia Hoo	

Coolangatta Gold

The 2025 Coolangatta Gold was held in October and featured a new modified format. A new course replaced the original long course, a 14km Ski, 2km swim, 4km board and 3.1km run. The course was extremely fast and challenging with the sand being so soft it made the run legs not only critical but very painful.

Fantastic results were achieved by everyone. The Open mixed team of James Ekins, Sophie Ferenczi, Tim Senior-Skinner and Rique Miroshnik finished 2nd. Other results were; Jake Clifton finishing 2nd in the 50-59 and Kiva Galgut 9th in the 40-49 age group.

The Coolangatta Sprint was a 7km Ski, 1km swim, 2km board and 1.5km run. North Bondi was well represented in this race as well, with many amazing results:

Jake Lewis, 4th in 20-29	Talbot Henry 5th 50-59
Matt Hamilton 2nd 50-59	Murray Lewis 6th 50-59
Simon Storry 4th 50-59	Andrew Christopher 18th 50-59

Youth Report

North Bondi Youth had another very successful season.

The Club places a big emphasis on transitioning our nippers and youth into the senior club. I am proud to report that with the assistance and dedicated of Age Managers such as Gene Ross, Steve Wales, Lachlan Benson, Glenn Elliot and Chip Wenmohs the Cadet Patrol Program is thriving.

The September school holiday ‘fast-track’ Bronze Medallion (BM) program saw just under 50 cadets qualified as BM holders. Huge thanks again to the Education Team lead and recipient of the Debbie Holland Award for Outstanding contribution to Nippers, Erik Haggstrom and his team consisting of Andrew Millmore, Rob Salamon and Mark Nathan backed up by our new Head of Education, Ambar Maddox. These volunteer members have led this initiative for many years now and sacrificed both work and family time to ensure young members qualify in just a few days, rather than the usual eight to 10 weeks.

A number of our youth took on extended training, with cadets achieving accreditation in IRB crew, assistant age manager, ART and other education areas. Special mentions must go to Jade Derwin and Scarlet Levy. Jade overcame serious injuries early in the season to still contribute to the education and training of our newest SRC’s while also completing her trainers and ART courses. Scarlett has continued her ongoing contribution to the club and its education program while also acting as the Sydney Branch Youth Education Manager.

This season, North Bondi put 67 U14s through the Surf Resuscitation Certificate (SRC). It’s a huge commitment and thanks must be extended to the combined team of Education Trainers and U14 age managers that put in the extra hours on the first 5 Sunday mornings of the nipper season plus a few sneaky mid-week sessions on those big rescue boards to achieve this.

This year the club went head-to-head with the big clubs again and it’s a testament to the coaching of Joel Maybury, Fred Carmody, Rique Miroshnik and their many helpers for some great results across the season. For the record, North Bondi finished fourth in the state titles this year, behind Wanda, Manly and hosts Swansea Belmont.

Sienna & Clementine

Luca Fisher & Amadeo Paoli

In an impressive display of consistency and skill, the club secured the Waverley Shield for the tenth consecutive year and secured the Branch title coming over the top of Wanda right at the end of the day. This was again a remarkable achievement given the event was staged on Wanda’s home beach.

Sunday nippers kicked off in October with over 800 nippers, and it was another great season with generally favourable conditions for most sessions. This year saw Lynda Ford take the reigns as Nipper President. Lynda first started her involvement in the club as a North Bondi nipper and has injected her enthusiasm and love for volunteer surf lifesaving into the role. Adam Harley, Rob Carmody, Rob Laurie and Maxwell Vaughan as Water Safety Supervisors ensured the safety of our nippers in the water, supported by Michael Cunninghams and the IRB team along with the NB Setup Crew under the captaincy of Steve Wales supported by Gene Ross, Ric Arms, and Sam Gowland.

To conclude the season, our youth competitors attended the Australian Surf Titles (Aussies) on the Gold Coast. Our Athletes had some wonderful results with the U14 Mixed Beach Sprint Relay and U13 Male Board Relay teams both winning silver medals. The U14 Female Beach Sprint Relay Team and U15 Mixed Beach Sprint Relay team won bronze.

Kathryn Jordan came third in her U15 female 2km Ocean swim. On the sand Amber Wordan placed second in the U14 Female Sprint and in the U14 Male Short Board Surfing Bart Carmody brought home the silver. Mia Hoo placed second in the U14 female Surf Race and the U14 female 2km Ocean Swim.

A special mention must go to our two Aussies Youth Gold medallists, Mia Hoo for winning the U14 Female Ironwomen final in a masterclass of skill and endurance and young Jagger Michael who had us all on the edge of our seats as he crossed the line in first with his gutsy effort in the U13 Male 2km Beach Run.

The club and I are extremely proud of our youth. Congratulations on what has been another excellent season. Thank you everyone.

Nipper Report

Stepping into the role of Nipper President this season felt like a true full-circle moment. Having grown up in the area and come through Nippers myself, it has been a privilege to give back to the Club that helped shape my understanding of community, service and leadership from the young age of 9 years old.

And what a season it has been. At times, this year tested our community in ways none of us could have anticipated. We faced challenges and circumstances that came without a playbook, yet throughout it all the strength, compassion and resilience of the North Bondi Nippers community shone through. Time and tide, our families, volunteers and club members stepped forward to support one another and most importantly, our kids.

Despite everything, we never lost sight of what Nippers is truly about – creating a safe, engaging and fun environment where young people build confidence, friendships and life skills that stay with them for life. This season we welcomed over 800 Nippers supported by around 100 dedicated Age Managers, along with an incredible water safety crew and volunteers who make Sunday mornings possible.

A huge thank you must go firstly to our Water Safety Captains – Adam Harley, Rob Carmody, Maxwell Vaughan and Rob Laurie for their leadership, calmness and commitment throughout the season. Thank you also to our Set-Up Crew, Nipper Parent Patrol, water safety and IRB crews. So much of the work that keeps Nippers running happens quietly in the background, often before most people even arrive at the beach, and it is deeply appreciated.

To our Age Managers, thank you. Your encouragement, positivity and endless energy are at the heart of the Nipper program. Week after week, you create an environment where our Nippers feel supported, challenged and connected. It was also fantastic to see another record Surf Rescue Certificate (SRC) intake this season, reinforcing the important role Nippers plays in developing future surf lifesavers and community leaders.

The season also delivered some fantastic highlights and achievements. Hosting the Waverley Shield Carnival was a proud moment for the Club and despite weather conditions preventing all events from being completed, North Bondi finished first overall with

an impressive lead on the points table. It was a brilliant reflection of the effort and commitment shown across all age groups.

Our competition teams once again represented the club with enormous pride throughout the season, culminating in an impressive 107 competitors attending the NSW State Championships at Swansea. A huge thank you to our junior coaches – Rique, Joel, Fred and the wider coaching team whose passion, experience and commitment continue to help our young athletes thrive both in and out of the water.

We were also incredibly proud of our Female U14 March Past Team, who achieved first place at the NSW State Championships. Led by Grant McMahan and supported by Bec Mancini, the team demonstrated extraordinary discipline, teamwork and dedication throughout the season. It was a wonderful achievement and a reminder of the proud traditions that remain such an important part of surf lifesaving culture.

One of the most positive aspects of this season has been watching our club continue to evolve and grow. It has been fantastic to see as many girls as boys participating in Nippers. This is something that reflects the strong, inclusive and welcoming culture being built at North Bondi. Seeing so many young people develop confidence in the surf, friendships on the sand and a sense of belonging within the club is incredibly rewarding.

There are also some people who deserve special recognition. Firstly, Alex Goold. Thank you for the incredible work you have done developing the structure and foundations of our Nipper program. Your support and guidance throughout this transition made stepping into the role far less daunting and I'm deeply grateful for your mentorship throughout the season.

Pip Holst, you are the pulse and support of our Nipper community, and the driving force that keeps the wheels turning.

A huge thank you also to our generous sponsors Rick Serrao (Raine & Horne), Andrew Fong (Audi Centre Sydney), Christina and Mark (Landmark), Ronnie (EverAU) and Josh Passaro (Will & Co), whose support helps fund equipment, rescue boards, nipper boards, rashies and uniforms that are vital to the success of our program.

Finally, I want to acknowledge Katherine (KJ) Joseph and Scott D'Amours from the U13 Age Group. Following the tragic loss of our young Nipper, Nico Antic, earlier this year, our club entered completely uncharted territory. During an incredibly difficult period, KJ showed remarkable leadership, compassion and strength in supporting Nico's family, our U13 boys and the broader Nipper community. Out of that heartbreak came the creation of the Nico Antic Age Managers Award which was established to honour Nico's memory and recognise the courage, commitment and spirit he brought to Nippers. KJ has also deservedly been recognised by Sydney Branch as Age Manager of the Year through the Awards of Excellence SLSC.

Also recognised for outstanding achievement at Sydney Branch Awards of Excellence were young Athletes Mia Christie (U10), Somerset Elle Dovey (U11), Azzuri Felix (U12) and Mia Hoo (U14) who won Athlete of the Year in their respective age groups.

Thank you again to every parent, volunteer, coach and sponsor who contributed to the season in ways both big and small. North Bondi is a very special community to be part of, and I look forward to seeing everyone back on the beach when the weather warms up again for the 26|27 season.

LYNDA FORD
NIPPER PRESIDENT

Nipper Awards

NORTH BONDI NIPPER OF THE YEAR

The nipper of the year awards are traditionally awarded to one male and one female nipper in the U14 age group who demonstrate the following attributes:

- Is known to their peers, age managers and the North Bondi community for embodying the ideals and values of NBSLSC.
- Is a good role model to all, always displays good sportsmanship and is a team player.
- Represents North Bondi at weekly nippers as well as external carnivals with pride and integrity and participates both as an individual participant and as a valued member of team events.

North Bondi Nipper of the Year 2024/2025

Male: Bart Carmody

Female: Maddox Hambly

NORTH BONDI COMPETITORS AND TEAM OF THE YEAR

Water Competitor of the Year – Azzuri Felix

Beach Competitor of the Year – Somerset Dovey

Long Distance Run Competitor of the Year – Jagger Michael

Team of the Year – U12 Mixed Cameron Relay - Angus Gladstone, Emerson Hoo, Emmeline Henrici

Ocean Swim

The Oceana Funds North Bondi Swim Classic was held on Sunday, February 8, 2026. Despite the overcast skies early in the day and moderate surf conditions it didn't deter people from getting involved. Again, the swims attracted some of the best and most experienced ocean swimmers together with many first-time entrants including significant numbers from the Can Too Foundation.

The Swim had over 700 participants registered across both the 1km and 2km events, including a strong representation of North Bondi SLSC swimmers who again dominated the podium.

The 2km race was won by Blair Day in the men's event in a time of 26.51 and Jake Andrews was the the runner up despite having the same time, Jake was edged out across the line. It was a North Bondi podium finish for the women's 2km race, with Kathryn Jordan winning ahead of Lillian Wenmohs and Lexie Tait. The 1km male event was won by Tim Senior Skinner in a time of 14.08 with Gaia Alcaras winning the women's event. The winners of the second year of the Dash for Cash in memory of Neil "Coach" Rogers were club members Charlie Verco for the second year and a tie between Lexie Tait and Kathryn Jordan in the women's taking home \$500 each.

We are delighted to once again have Oceana Funds supporting this swim event and we again thank them for their commitment to next year's event.

I would like to take this opportunity to thank the Club community, including the office team, the registration team, the beach crew, water safety and the medical team in what was again an amazing team effort, as we continue to improve the competitor's experience.

Thanks again and special thanks to our sponsor Oceana Funds for their generous support.

SIMON STORRY
OCEAN SWIMS DIRECTOR

BBQ Report

The 2025/26 season was once again a successful year for the Club BBQ, raising valuable funds for the Club while providing quality food and refreshments to members, families and visitors throughout the season.

We are grateful for the continued support of Woolworths Metro, who supplied fresh, high-quality products for the BBQ. Their ongoing generosity and partnership are greatly appreciated. A special thank you also goes to Mayers Fine Food for their continued support through donations of condiments and beverages. The range of San Pellegrino and Acqua Panna products remained a popular choice with our customers throughout the season.

The success of the BBQ relies on the efforts of many volunteers. Our dedicated core crew consistently gave their time each weekend to assist with set-up, cooking, serving and pack-down. Your commitment and willingness to help are invaluable and ensure the BBQ continues to operate successfully. We also thank our Nipper parents and members who volunteered throughout the season. The BBQ remains a fantastic opportunity for members to contribute to the Club while getting to know fellow families and volunteers.

Another successful season would not have been possible without the support and guidance of Jimmy Fotopoulos ("Jimmy BBQ"), whose experience and enthusiasm continue to be a tremendous asset. Special thanks also to Adam Hughes for coordinating the set-up crew and ensuring everything ran smoothly each week.

As we look ahead to the 2026/27 season, we are excited to build on this year's success and continue providing a great service for our members and guests. Thank you to everyone who contributed their time, effort and support throughout the season.

DAVE GERMANE
BBQ CAPTAIN

Sunday Surf Race

A new era of Sunday Surf Races began this season with the inception of a fresh Committee consisting of Chief Handicapper Brian May and assistants Justine O’Connell, April Campbell, Merav Ross and Louise Sung.

The Committee decided that we needed a simpler, portable system that we could easily use on the beach in any weather. With the help of club member and IT specialist Jason Ross, the Sunday Surf Swim Lovable App was created which can be used on any mobile phone or tablet.

It became easy to check swimmers in and out thereby calculating their net time for each swim as well as the points allocated for a win or place and the subsequent handicapping penalties.

The swimmers were able to check their progress throughout the season and indeed they did. As usual at the Sunday Surf Races a lot of banter ensued with swimmers trying to “work” the system in their favour. But, alas, the Committee was there to keep everyone honest... including Brian!

With 25 races swum over the season (2 cancellations due to big surf) in sometimes challenging conditions the final results came down to not only participation but also surf skills and sometimes a lucky wave.

The Season Winners were:

A-Grade: Brian May

B-Grade: April Campbell

C-Grade: Robert Regan

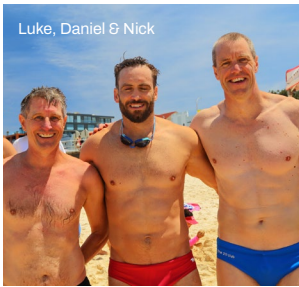

Sam Mayer Trophy (Most starts): April Campbell & Louise Sung

Across The Bay Swim: Robert Regan

This season, the Sunday Surf Race has continued the Club's long-standing tradition of participation across all age groups, camaraderie, and inclusiveness rather than simply rewarding the fastest swimmer. The Surf Race continues to be a defining part of Club life – bringing members together and reinforcing the culture that makes North Bondi unique.

See you on the beach next season.

SUNDAY SURF RACE COMMITTEE

Biathlon

Each year, an extraordinary group of volunteers, led by Glenn “Nish” Annear, delivers over 160 free handicap events for “the People.” It is no small feat, and we are incredibly grateful for the ongoing support of the Club and Volunteers, along with our friends at Bondi, Tamarama, Bronte and Coogee Surf Clubs, and the many others who generously gave their time to ensure the events ran smoothly and safely year-round. With over 2,000 people joining in over the years, special recognition goes to Nish, who established the races 15 years ago this coming summer – a milestone that reflects both vision and commitment to building a strong community.

This season presented challenges for our community, with some difficult moments along the way. Despite this, the People’s Biathlon remained resilient. At its core, it has always been about the people, and this year that spirit of unity and support shone brighter than ever.

Each year we welcome over 100 new participants to the biathlon community, alongside our loyal regulars who continue to show up week after week. Friday evening events, in particular, surged in popularity – with the Club bar open, the now-famous “beach to bar” atmosphere became a highlight of the week. February saw record participation, with over 80 competitors attending on multiple occasions. The Saturday morning Enduro also reached record numbers this season, with growing fields across the ski board, swim and run disciplines.

The standout event of the season was undoubtedly the Tides of Vengeance (TOV) teams’ event, held on the final Sunday of the patrol season. Now in its second year, it once again delivered an incredible afternoon of community, competition and fun. Five teams from North Bondi, Bondi, Tamarama and Bronte Surf Clubs, along with the Barbarians (non-clubbies), competed in a 10-person relay against the handicap. After 95 minutes of racing, all teams finished within just three minutes of each other—creating an electric atmosphere.

While Bondi claimed victory for the second consecutive year, we are already looking ahead and aiming higher for next season's TOV.

A big thank you to Nish, Kiva Galgut, Ben Fergerson Rhett Sampson and April Campbell for their organisation, and to our team captains for their efforts in bringing their teams together for race day: Elizabeth Sloane (Barbarians), Jesse Lockhard-Krause (Bondi), Dean Rawlings (Bronte), Alex Merkur (North Bondi) and David Murphy (Tamarama).

For those not yet involved, we welcome you to join the “People’s Community”. We hold four regular weekly events to keep everyone active:

- Friday Night Biathlon – 6pm (Daylight Savings only)
- Sunday Biathlon – 4pm (3pm during winter)
- Saturday Enduro – 10am (Bronze Medallion required)
- Thursday 5km Run – 6pm

More details can be found on Instagram at @PeoplesBiathlonBondi. As Nish so often reminds us after a particularly tough race... “at least you know you’re alive.” See you at the beach.

GLENN “NISH” ANNEAR

New Life Members

Three new Life Members were enshrined at the 2025 AGM: Peter Colquhoun, Matt Hamilton and Serge Vegh. Life Membership is the highest honour the Club can bestow and recognises extraordinary and exceptional service. All three members far exceeded the minimum requirements of 10 years' membership, and demonstration of exceptional services to the operation and functioning of the Club and have all shown sustained commitment, exceptional contribution and lasting impact across many areas of club life.

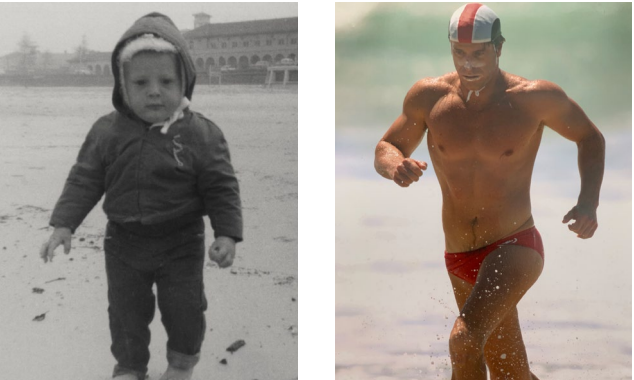

Peter Colquhoun

Peter joined North Bondi in 1981, doing his Bronze Medallion and patrolling for a decade. Over 40 years of continuous involvement, he has been a committed competitor across Junior, Open and Masters surf sports, reaching multiple Australian finals in craft, swim and ironman events.

As his competitive career eased, Peter redirected his energy into major programs and events for the Club. He has been a long-standing cornerstone of the North Bondi Ocean Swims, providing expert and engaging commentary alongside the late Neil Rogers. His professional background in media made him the Club's trusted Master of Ceremonies for fundraising events and major functions, consistently lifting the quality and success of these occasions.

One of Peter's most significant contributions was his six years of pro bono leadership during the design and rebuild of the clubhouse (2006–2012). He represented the Club in complex negotiations with Waverley Council, worked as an associate architect alongside Durbach, Bloch, Jagers Architects and Taylor Constructions, dedicating extensive personal time to managing risks and ensuring the project's success.

Across four decades, Peter has exemplified the spirit of North Bondi. His service as a patroller, competitor, event leader, and project representative reflects commitment far beyond normal membership expectations, making him truly worthy of Life Membership.

Matthew Hamilton

Matt joined North Bondi in 1979 as a six-year-old Nipper and has since contributed more than 46 years of outstanding commitment and service to the Club. From his earliest years, Matt demonstrated exceptional ability in surf sports, winning numerous junior and senior club titles, including Club Champion honours, and achieving success at State, Australian, and international level, including the 1994 World Lifesaving Championships in Wales and Cornwall. His competitive achievements include medals in Taplin, Surf Teams, Board Relay and Ocean Swim events. He also completed 35 Stan and Basil MacDonald Relay swims – the most of any swimmer from either club – highlighting his remarkable longevity and commitment to one of our proudest traditions.

Matt gained his Surf Rescue Certificate in 1986, Bronze Medallion in 1988, and Advanced Resuscitation Certificate in 1991. His 10 years of active patrol service, included six seasons of 100% patrol attendance, reflecting his unwavering commitment to lifesaving and service.

Beyond competition and patrols, Matt has made an extraordinary contribution to youth development and Club leadership. He was a Nipper Age Manager for eight years, four years as Nipper President, and six seasons as Head of Youth. Under Matt's leadership, North Bondi established itself as the premier Nipper club in NSW, winning three consecutive State Nipper point scores and achieving unofficial Australian Championship junior point score honours in 2024/25.

Matt's lifelong dedication, leadership, and exceptional service exemplify the values and spirit of Life Membership at North Bondi. He joins his Father, Tony, and bother-in-law, Jason, as a Life Member. His family legacy is strong with his wife Melissa and daughters , Zara, Taylor and Allie, are all active members of our club.

Serge Vegh

Serge's lifelong connection to North Bondi spans from U6 Nippers to more than 25 years of dedicated service. He has made outstanding contributions across all aspects of club life, including lifesaving, competition, education, administration, finance, and youth leadership, and remains an active and highly valued member.

As a lifesaver, Serge has served with distinction as a Patrol Captain, Offshore Rescue Boat Captain and Skipper, Surf Life Saving Sydney Duty Officer, and Waverley District Lifesaving Supervisor. Over 19 years he was a driving force in education, training, and assessment across Waverley and Randwick, delivering programs such as Beach to Bush and setting the high standards that have shaped generations of Surf Rescue Certificate (SRC) and Bronze Medallion candidates.

In competition, Serge was a proud and successful representative of the Club, competing primarily in surf ski and patrol competition. He was a member of the team that secured the Club's first State Championship title in the patrol competition event, a significant milestone in the Club's history.

Serge has also made a lasting impact on youth development. As Head of Youth for two years, he co-created the cadet mentoring program for new SRC members, strengthened pathways from Nippers to SRC, helped establish Rookie Patrols, and supported State-level youth leadership initiatives. Many young members credit his mentorship as instrumental in their development and progression within surf lifesaving.

As Head of Finance for four years, Serge introduced structured departmental budgeting, improving Board efficiency and decision-making. With his daughter, Zoe, in nippers, Serge continues to contribute as an Age Manager and is also on the Membership and Constitution Sub-Committees.

Serge's sustained, impactful, and selfless service exemplifies the exceptional contribution expected of a Life Member of the Club.

Social Events

For many years, the Club has played a vital role in the community, promoting the values of surf lifesaving and fostering strong bonds among its members. This social report highlights some of the memorable events and activities that defined the 2025/26 season.

Season Opening Party

We kicked off the season in style with a ‘Farmer wants a wife;’ themed party that set the tone for an unforgettable year. The venue was transformed with classic Western decor, creating the perfect backdrop for a night of fun and celebration. Members embraced the theme wholeheartedly, donning cowboy hats, boots, and bandanas, with prizes awarded to the best dressed on the night. A talented five-piece band kept the energy high with live music that had everyone dancing, while a spread of delicious food ensured no one went hungry. It was a fantastic start to the season.

Christmas Party

The annual Club Christmas Party brought together members and their families for a day of festive fun. The event was packed with activities to keep the kids entertained, including face painting, hair-braiding, arts & crafts and table tennis. A 3-piece band created the atmosphere which had many on their feet.

Australia Day

The annual Australia Day drinks at the Club were the perfect way to celebrate our national day. The weather was kind and the atmosphere relaxed as members came together for a great afternoon of cold beverages and chilled tunes.

Weekly Yoga & Pilates

Weekly yoga and Pilates sessions ran throughout the season on Tuesday and Wednesday mornings. It has been fantastic to see members young and old up early in the mornings gathered to tune up their bodies and find their Zen. These sessions offered a perfect way to start the day, promoting physical well-being and a sense of calm.

We hosted a Pilates morning with our sponsors EverAu in which we were gifted branded club mats and members who participated got some awesome freebies!

The Club is immensely proud to have hosted such a diverse range of events and activities throughout the season. These gatherings not only celebrated the spirit of surf lifesaving but also provided opportunities for members and guests to connect, have fun, and create lasting memories.

The Fun Events In-Between

Between our big season opener and closing party, the Club was buzzing with a fantastic line up of events that kept the good times rolling.

We ran multiple Trivia Nights hosted by Brekko which were a real crowd-pleaser with his lively hosting and clever mix of questions making for a night of laughs, friendly competition, and brain-teasing fun. There were great prizes up for grabs, and karaoke kept the fun going late into the evening.

The 120- year winter soiree was a raging success! Members dusted off their formal attire and dressed for the occasion. We celebrated the season, friendships old and new at the Royal Motor Yacht club and the atmosphere was electric with members busting moves on the dancefloor till late in the night!

And of course, our Sunday live music sessions brought the perfect soundtrack to our sundowners, with a rotating lineup of talented musicians setting a laid-back, feel-good vibe throughout the season.

Surf Sports Summer Party

On Saturday 8th November night the Surf Sports section came together to hold a White Summer Party fundraiser. With help from some amazing donations from local businesses and member assistance - who could forget the Boy Auction - over \$13,000 was raised to put towards the Aussie Titles.

A huge Thank you for Phil from The Char for donating all the food and Compa Drinks and Pals for donating alcohol. A special mention to Taylor Hamilton, Chloe Braun, Annie Zieme and Peter Colquhoun for their contributions.

Season Closing Party

We wrapped up the season with a vibrant colour themed closing party that brought plenty of fun. The night began with our end-of-season awards presentation, recognising the dedication and achievements of our incredible members. Guests dressed in their best coloured outfits, ready to party to the sounds of a fantastic DJ that had the dance floor buzzing. Delicious catering by Lox Stock & Barrel kept everyone fuelled for the night, and an exciting raffle with plenty of prizes added to the atmosphere. It was the perfect way to celebrate a successful season and the amazing community behind it!

THE SOCIAL COMMITTEE
ELLEN MCCARTHY & DERV DOYLE

2025 Ski Trip Report

BOOM! Now that's how a ski trip is supposed to be! After missing the 2024 trip due to a complete lack of snow and enduring a few less-than-ideal seasons before that, the 2025 Ski Trip was nothing short of sensational.

In the alpine world, everyone dreams of “bluebird days” – clear skies, sunshine, great visibility and perfect conditions. In 2025, we had them in abundance. For those lucky enough to arrive a little early, Thursday was close to perfect: blue skies, no wind and excellent snow cover. Friday delivered more of the same, and while Saturday and Sunday began with a little fog, conditions cleared by mid-morning and the skiing was outstanding.

Of course, a great ski trip is about more than just the slopes. One of the highlights each day was gathering for a few well-earned drinks in the sunshine at the Sun Deck Hotel before heading to The Eiger. Shifty would have been proud of us all. As we know, there was little he enjoyed more than sitting in the snow with a cold beer and good company. It remains one of the great traditions of any ski weekend.

With most of the resort open, there was plenty of opportunity for some fantastic skiing, along with a few “adventurous” detours, mostly unplanned. While challenging at times, and accompanied by the occasional minor tumble, everyone emerged unscathed. Notable adventures included traversing the creek at the bottom of Wine Glass (yes, that is actually the name of the run), one we'd probably recommend avoiding in future, and an unexpected journey

through the trees near the bottom of Double Trouble. After a brief period of uncertainty, we are pleased to officially confirm: No lives were lost. As a good friend often says: “You can't kill adventure.”

As always, the staff at The Eiger Chalet could not have done more to make the weekend more enjoyable. Their hospitality, combined with perfect conditions and a fantastic group of people, ensured another memorable trip.

With 45 members and friends attending, the 2025 Ski Trip was a tremendous success. Along with the great memories, everyone returned to Sydney with something equally valuable – bragging rights after spending the weekend on the snow while those back home endured a wet and rainy weekend accompanied by a healthy dose of FOMO. We look forward to doing it all again in 2026.

2025 Back to Ben Buckler Lunch

Another outstanding success in celebrating old stories and creating new memories!

With 110 attendees, the 2025 Back to Ben Buckler Lunch was a fantastic afternoon enjoyed by all. One of the greatest strengths of our club has always been its intergenerational spirit, and this was on full display throughout the day. Former crews and teams reunited, with fathers, mothers, sons, daughters and even grandchildren gathering alongside newer members to celebrate our club and its rich history. It was particularly special to have 18 of our living Life Members in attendance.

The afternoon provided an opportunity to recognise some of our outstanding members, including Noah Havard, our most recent Olympian and Silver Medalist, who is still enjoying the momentum and excitement following his remarkable success in Paris. We were also privileged to have nine Australian Champions alongside the 18 Life Members and four Wally Weekes Award recipients in the room.

Joining us were our three Life Member Nominees - Pete, Matt and Serge. With their nominations due to be presented to the membership the following day, there was certainly a degree of nervous anticipation in the air, although Pete Colquhoun seemed particularly keen to offer assistance wherever possible!

One of the highlights of the day and arguably of any Back to Ben Buckler Lunch held to date was the performance of Magic Mike (not the stripper). Throughout the afternoon he entertained guests with close-up magic at the tables, but it was when he took to the stage that everyone truly appreciated the extraordinary talent of this remarkable magician and proud club member.

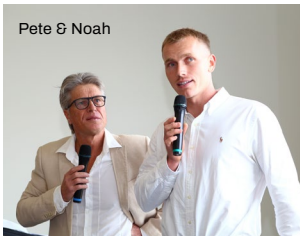

We also reflected on the proud history of our touring teams, particularly the 1956/58 R&R Team. Pete then invited Scotty Thomson to the stage, where we learned more about the Foster's Sydney Ironman, the event that helped launch professional surf sports competition and the pro series as we know it today. Remarkably, it all began 40 years ago at our club in 1985.

The final highlight of the afternoon was a stirring rendition of Waltzing Matilda, accompanied by wonderful stories about the song's history, led by Pete and Ivor Colquhoun.

The Back to Ben Buckler Lunch took a break in 2026 as we celebrated 120 years of lifesaving and community service with the Winter Soiree. We look forward to welcoming everyone back in 2027, with the continued support and subsidy of the Board.

On behalf of the organising committee, I would also like to sincerely thank Tony "The Eyes" Hamilton, Pete "Rory" Colquhoun and Annie Zieme for their invaluable assistance in making the day such a success. Thank you to everyone who attended and contributed to another memorable chapter in the story of our club.

On behalf of the organising committee
MARK "TOTTS" COTTER OAM

2026 NBSLSC Winter Soirée

Our 2026 Winter Soirée held on Saturday 13th June was a truly memorable evening, bringing together members of all ages to celebrate another incredible season, our iconic Bondi postcode, 2026 and the 120th Year of North Bondi SLSC. Set against the stunning waterfront backdrop of the Royal Motor Yacht Club, guests enjoyed an elegant night filled with delicious canapés, great company, and a vibrant atmosphere that perfectly reflected the spirit of our club.

The venue came alive with laughter and celebration as members reconnected, shared stories from the season, and created new memories together. A popular photobooth captured plenty of fun moments throughout the night, while the excitement continued to build with our major raffle prize of two return flights to Hawaii, generously awarded to one lucky winner.

From the first arrival to the final song on the dance floor, the Winter Soirée was a fantastic celebration of our community. It was wonderful to see generations of members coming together to enjoy the evening, strengthening friendships both old and new.

A special Thank you goes out to Hawaiian Airlines for providing return flights for 2 to Hawaii as the door prize - Annabelle Long was the lucky winner on the night. Lynda Ford, our Nipper President, for providing the wonderful photo booth. Wayne Gagel, for once again capturing the images of another great North Bondi event. Robbie Mayer, as always, for the generous and seemingly endless supply of cheese.

The event organisers put hours of time into creating such a memorable event, spear headed by Annie Zieme and assisted by Mark Cotter, Scott Averay, Steve Larnach, Julien Palmer and social committee members Ellen McCarthy, Derv Doyle, Chloe Braun and Taylor Hamilton.

Thank you to everyone who attended and helped make the 2026 Winter Soirée such a special and unforgettable event.

Members News & Achievements

MARRIAGES

Bronte Campbell

Triple Olympic gold medallist and club member Bronte celebrated her wedding to Benfield at the Club in February. She wore a custom gown from Melbourne bridal studio Lola Varma and later changed into a vibrant yellow reception dress. In a playful nod to her swimming career, the newlyweds even took a swim during the celebrations.

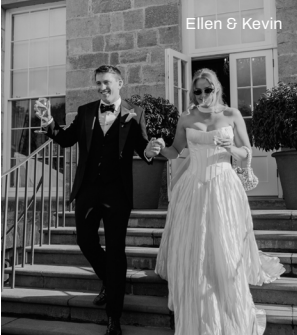

Chris Proctor

Chris Proctor, Patrol 4 Captain and Education Team member, married his partner of nine years, Marcus Watson, in December this season. Showcasing Sydney to the overseas guests, the weekend started with Friday welcome drinks at NBSLSC, followed by a ceremony and reception on Saturday 13 December at Taronga Zoo. Friends and family, including a fabulous North Bondi crew, celebrated the joyous occasion.

Ellen McCarthy

Member Ellen and Kevin were married at Cashel Palace in County Tipperary, Ireland. Ellen was delighted to celebrate alongside her surf club besties – Katie Hilliard, Dearbhaile Doyle, Maeve Gray, Rob Newman and, of course, the party animal himself, Doug Firth. The celebrations carried late into the night, with Dearbhaile even making a late-night appearance in the bridal suite, where the girls were found crackin' into a bottle of champagne at 3am, "cheersing" to the friendship that first began during their Bronze course – all without Kevin! It was a weekend full of laughter, fun and memories that will be cherished forever.

Lucy Hames

Lucy Hames married Kevin Neil in a small ceremony at Blackburn Gardens in February, followed by celebrations with friends in Australia and family in Wanaka, New Zealand. She's been a member of the surf club for almost five years and part of the community for even longer – Friday night biathlons followed by lamb rolls were her first introduction to club life. While Kevin isn't a member, he's a familiar face to many and a regular at Sunday drinks. Some of their earliest dating memories involve Kevin helping Lucy study for her Bronze Medallion.

Emily Tebbatt

Emily Tebbatt and Greg Fletcher married at a wonderful event at Queenscliff on 11 December 2025. After 8 years at North Bondi, 2 years at North Cottesloe, and 5 seasons as PC of Patrol 13 Emily certainly has lots to celebrate as she also gained long service this season.

Matilda (Tilly) Strain and Hannah Seymour

Congratulations to Long Service member Matilda (Tilly) Strain on her marriage to Hannah Seymour. They celebrated their wedding with an intimate family ceremony at the Strain's house and then a reception at Tamarama surf club.

Ellie Larnach and James Ekins

Two long standing surf club families were merged with the wedding of long-time members, Ellie Larnach and James Ekins. Ellie and James met at Aussies in 2018 as a surf boat rower and a ski paddler, and the rest is history! The surf club has always been a big part of both of their lives, so it's pretty special that it's also where they met.

They said of their wedding "We were lucky enough to get married locally at Centennial Park, celebrating with our family and friends in the community that has meant so much to us over the years. We're grateful to the club for bringing us together and for all the friendships, memories, and opportunities it's given us along the way."

Hannah Peters and Dan Ryan

Hannah and Dan met at the 2019 Christmas Party – Hannah a graduating Bronzie, and Dan with a few seasons under his belt. The fairytale goes that Dan spotted Hannah across the dance floor and quickly asked who the 'girl in the red dress' was. Many club members were involved in making the necessary introductions, and the two have been inseparable ever since. Hannah moved into Patrol 16, where both Dan and Hannah ended up joining the P16 leadership team, with Hannah currently PC.

The two got married in WA in March 2026. In true Hannah and Dan style, the wedding was planned to be a sunny coastal affair, but unfortunately Cyclone Narelle had other ideas. They pivoted to an indoor ceremony, which turned out beautifully, and they tied the knot surrounded by their loved ones before they danced the night away on the cyclonic dancefloor. A true North Bondi love story!

BIRTHS

Freya, Josh & Rafferty

Rafferty Angus Stein born to Freya Riddel and Josh Stein in November 2025. Special thanks to Nish's biathlon where Josh and Freya met – Rafferty is the first biathlon baby. He honours this by turning up when we can to cheer his parents as they make their way around the course, slightly less athletically than they did previously. He started his swimming lessons at 2.5 months and is eager to begin a competitive season.

Kelsey, Brad & August

Long Service member Kelsey Stevens and her partner Brad welcomed gorgeous baby August John in June. August is 4th generation North Bondi after his great grandfather John and grandfather Mark Stevens. Both Kelsey and Mark have been part of the March Past team and we look forward to the day August is down on the North Bondi sands.

MEMBER ACHIEVEMENTS

Tim Senior-Skinner Molokai Challenge

Congratulations to Tim Senior-Skinner who took on the Molokai Challenge in May. Just getting to the start line on the island threw up some fun and interesting hurdles, but it was made easier with the help from friendly locals. The gruelling 53 kms from Molokai to Oahu in Hawaii threw up epic conditions with strong winds and big swell through the channel. Tim finished 3rd in the open male single ski in his first attempt at the race. Well done Tim!

Emily Chancellor - Wallaroos Captain

Long service member, Emily Chancellor, not only continues to wear the green and gold with pride she also went on to be the 19th Wallaroos Captain in 2025. She also played in her second Rugby World Cup, including two games as co-captain.

She started playing rugby aged 21, after being a netballer and swimmer. Emily played for the Waratahs before stints at the Harlequins in the UK's Premier 15s and for the Mie Pearls in Japan. She returned to the Tahs a few seasons ago and has been in leadership roles with the team. Off the field she graduated from The University of Sydney with a Master of Management in 2015 and continues to successfully juggle sporting and career pursuits.

Emerson Hoo

Congratulations to North Bondi Nipper Emerson Hoo, who achieved a remarkable milestone at the Sydney Catholic Schools Swimming Championships, rewriting the record books in a way rarely seen in school sport. Emerson became the holder of every primary girl's swimming record across the Sydney Catholic Schools system, spanning all age groups from 8 to 12 years in every stroke and every event. Some records stood for years, some even decades and are now all under her name. Emerson's ability to consistently perform at an elite level in both swimming and surf lifesaving highlights her talent, determination and focus – well done Emerson!

Members Achievements

NATIONAL MEDAL RECIPIENTS

Congratulations to NBSLSC members who were recognised for the National Medal, the prestigious award which recognises long and diligent service by individuals who risk their lives or safety to protect or assist the community in times of emergency or national disaster. The National Medal is awarded to eligible SLSA members who have completed at least 30 patrol hours a season for 15 years (after 18 September 1986)

15 YEAR NATIONAL MEDAL RECIPIENTS

Julian Peterson

Since he did his Bronze, Julian has thrown himself into every aspect of lifesaving, particularly those with an engine. From driving and training in IRBs to being a regular on the jet ski (RWC). Training many drivers and crew, he was recognised as the 2016/17 Training Officer of the year (joint with Jodie Salmon).

Still a stalwart of P16, Julian approaches all his activities with a sense of humour, and credits himself with showing Murray Rose a few freestyle tips. Maybe he's better sticking to lifesaving, at which he excels, including as a real-life good Samaritan who regularly attends off-beach incidents through GoodSam. Not content with rescuing people, he famously rescued a sea snake leading to a cameo on Bondi Rescue.

Phillip Palmer

Phil, a Bondi boy, only completed his bronze when Nippers called for more parents to help with water safety. He soon completed the IRB crew course, following his love of all things with motors. Phil developed his skills with the IRB team, completing the driver's course, repairing engines with Raille and the team, and organising boats for carnivals. He went on to become an IRB trainer, IRB Captain, and doing additional patrols on the support ski.

After 15 years (majority of which were 100% and/or >100hr) he still loves doing water safety for swims, fixing the engines, supporting gear inspection and of course patrolling with his sons on patrol 5 where he has made many great friends.

John Costigan

John is a long service member of both Currumbin Beach Vikings Surf Life Saving Club and NBSLSC. His contributions have included in education and lifesaving, including being a Trainer and Assessor for both Bronze Medallion and IRB, as well contributing across Sydney as a RWC operator. John has trained many NB Bondi Bronzies and was the Junior Bronze coordinator for several years. Amongst his many awards John is a Gold Medallion holder.

John started as a Nipper at Currumbin going on to get his Bronze there, before later moving to NSW and joining NBSLSC. Whilst he is now back in Queensland, he still comes back to NB to patrol and have a turn on the jet ski.

Doron Milner

Doron is a former Head of Lifesaving (Club Captain) who has been awarded the National Medal for 15 years' service. As a long time North Bondi member Doron has shone in all areas with many roles, including Patrol Captain, trainer, IRB and jet ski driver, and is currently heading up the Education team at his other club, Brunswick. Not confining himself to the beach, he is also on the NSW Flood Rescue Team and is a NSW Leadership facilitator. Congratulations Doron, a very deserving recipient of the National Medal.

Richard Lissenden ESM - 35 Year National Medal Clasp

Richard Lissenden ESM has been recognised with his 2nd Clasp for 35 years of dedication to Surf Life Saving. Richard is a long service member who joined the club as a nipper, and still regularly patrols at North Bondi. He has been involved with all areas of lifesaving from administration, education, surf sports, beach patrols, and IRB. Richard has dedicated many years as a coach, mentor, and leader for the Surf Life Saving Sydney Offshore Rescue Boat. He has been an integral part of the support operations 24 hour call out crew during his many years of service and worked to develop safety management systems that have been recognised by the Australian Maritime Safety Authority.

Richard was recognised for his service with the Emergency Services Medal (ESM) in 2022. He has now been awarded the National Medal 2nd Clasp, with each clasp recognising each additional 10 years of service beyond the initial 15 years for the National Medal.

Peter Agnew AM ESM – Elected SLSA President

North Bondi Life Member, Peter Agnew AM ESM, was elected President of Surf Life Saving Australia (SLSA) at the AGM on 31 October 2025.

Peter joined North Bondi in the early 1980s as a nipper and doing his Bronze Medallion in 1985, followed by many other awards. Over more than four decades, he has made contributions across every facet of lifesaving, often holding multiple roles at once. His service has included Club Captain, IRB driver, surf sports official, trainer, assessor, facilitator, jet and offshore rescue boat driver and skipper, RWC operator, radio control room operator, and emergency services management.

Peter was named Club Member of the Year (1986) and Club Officer of the Year (2001) and received honours including Club and Sydney Lifesaver of the Year (1989) and Branch Member of the Year (1995). He was awarded the National Sports Medal (2001) and completed 25 years of patrol service (1985–2010), receiving the National Medal in 2006.

He was recognised with Life Membership at North Bondi in 2005, followed by Sydney Branch (2007) and SLSNSW (2016). Peter received the Emergency Services Medal (2015) and in 2024 was appointed a Member of the Order of Australia (AM) for significant service to Surf Life Saving.

Across senior leadership roles at Club, Branch, State, and National levels, Peter has helped shape the evolution of Surf Life Saving from modernising education accreditation and nationalising information technology, to moving the organisation from a community and sporting organisation into the emergency services domain. His election as SLSA President continues a lifetime of volunteer leadership, including his recent terms as SLS Sydney Branch President (2019–2023) and SLSNSW President (2023–

2025). Despite these responsibilities, Peter still turns up to help at club events, whether on the BBQ or staking fence posts for the ocean swim.

In an organisation where service and excellence are measured in small moments and across a lifetime, Peter stands among the most distinguished. As a second-generation member, this achievement is shared with his family, whose contribution spans decades. His father, Bruce, was a formidable competitor for North Bondi, and the Agnew family has long been woven into the fabric of our club. Peter's election as the eighth President of SLSA marks a truly historic moment in our 120-year history.

We also acknowledge that Peter's elevation to SLSA President follows the sudden passing of John "JB" Baker AM ESM in August 2025. JB was a close friend and confidant of Peter's, and we know Peter will honour his legacy and continue the important work JB championed while driving an agenda driven from his own values of being a member-centric, safe, and reputable organisation.

The Club congratulated Peter in person at a special Sunday drinks in November 2025 and looks forward to continuing to support him in his role as SLSA President.

Charlie Verco

Club member Charlie Verco had an outstanding, busy and heroic season in 2025/26, highlighted by remarkable achievements both within and beyond our club.

Charlie came to international attention following his brave rescue during a shark attack at Coogee Beach. Charlie performed an extraordinary rescue, coming to the aid of a woman who had been severely injured during a shark attack. In an incredibly dangerous and confronting situation, he acted with remarkable courage, composure, and compassion. Charlie is an outstanding young man, and we are in awe of both his bravery and his humility. His actions exemplify the very best qualities of our surf lifesaving community and serve as an inspiration to us all.

On the water, Charlie continued to excel at the highest level of surf lifesaving competition. He finished runner-up in the Shaw and Partners World Ocean Series, before claiming victory in the iconic Molokai to Oahu Paddleboard World Championships for the third consecutive year. An outstanding achievement in one of the sport's most demanding and respected events.

Despite not competing for the club, Charlie has remained a committed and valued member of our club. His professionalism, humility and willingness to support others continue to make a significant impact, while his achievements inspire our younger athletes to pursue excellence both in sport and in life.

Members Achievements & Events

North Bondi's Gotcha4Life 24-Hour Row

On the weekend of the 13th & 14th of September North Bondi came together, joining 61 teams across Sydney for the Gotcha4Life 24-Hour Row, raising mental-health awareness and funds while showing our community what it looks like to row, cheer and look out for one another.

From 12pm Saturday 13 September to 12pm Sunday 14 September the Ros Packer Room hummed with the sound of rowing machines and banter. With 2 rowing machines on site going at all times, NB members swapped shifts, logged metres and shared stories - all for the simple, powerful message that it's okay to ask for help and to talk about what you're going through.

This was about more than keeping the rowers moving. It was about building skills, reducing stigma and giving the next generation of kids the tools to cope with life's challenges. It was about making sure anyone in a tough spot knows they're not alone and there are people, and services, ready to listen.

Some stats from the weekend:

- Total funds raised: \$15,500
- Number of North Bondi participants (rowers + volunteers): 90
- Total rowing time logged by the club: 49 hours (cumulative hours the machines were in use)
- Total distance rowed by the team: 614,885 metres/614.89km
- Number of shifts covered: 96 x 30-minute shifts covered.

Honourable mentions:

- Top fundraiser: Cooper Rogers - \$8400!!!
- Volunteer MVPs: Ben Shephard - not a single wink of sleep!
- Young kings: Harvey Cooke - 4 years old (I think)
- Significant donors: Ben Griffiths (\$5k), Geoff Wilson (\$5k), Wilson Asset Management (\$2.5k), multiple \$250 donors
- Hype squad: Cooper Rogers and crew early Sunday morning

Thanks to every rower, donor and supporter who dropped in for a chat. Remember to check in on your mates, and we'll see you next time with more ergs going and more money raised!

Ocean Heroes

Ocean Heroes is a grassroots charity that provides opportunities for people on the Autism spectrum to build confidence through surfing in a safe, supported and inclusive environment. The charity runs free surfing events for neurodivergent participants at beaches across NSW, including Bondi, with programs powered almost entirely by community volunteers.

On 15–16 November 2025, a team of 12 NBSLSC Masters ladies took part in the inaugural Ocean Heroes 24 Hour Swim at Des Renford Leisure Centre to help raise funds for the charity's expanding surfing program. With one swimmer in the pool at all times over the 24 hours, the team swam a combined 78.35km and raised an incredible \$11,750, earning the title of the highest fundraising team in the 2025 event.

Beyond the 24 Hour Swim, NBSLSC members also volunteered at Ocean Heroes surfing events throughout the summer. Ocean Heroes also benefited from the use of parking, amenities and function space at NBSLSC, and sincerely thanks the staff and Board of Management for their ongoing support. This generosity helps provide participants and their families with the opportunity to experience Bondi Beach and the joy of surfing in a safe and welcoming environment.

We look forward to seeing NBSLSC participate in the 24 Hour Swim in November 2026, as members of our club community continue to support the work of Ocean Heroes.

NBSLSC 24 hour swimmers: Amy Somes, Elle McCarthy, Eloise Starr, Jane Cichero, Kaylie McDougal, Lauren Tischendorf, Leonie Wilkinson, Lulu Wise, Maeve Gray, Megan Rumford, Miriam Salter, Sophie Thomson.

Teddy Sime Run

There was a fantastic turnout for the 2026 Teddy Sime Watsons Bay Run on the on the 3rd of May, with great weather and even better people. It was a brilliant afternoon celebrating the spirit of the event and remembering a much-loved legend.

There were some strong performances on the course, with Azzuri Felix (up and coming nipper) and Jono Schacht taking out 1st place male and female respectively. Freya Riddle and Charlie Bodkin finished 2nd, with Layla and Brendan Krone rounding out the podium in 3rd. The always popular average time prizes went to Oscar Croft and Sarah Jones.

A huge thank you to all the volunteers who helped make the day run so smoothly. Special mentions to Pete and Tim Skinner for transport and logistics, James, Ellie and Charlie for keeping things on track at the finish line with the timing, and Annie for merch organisation and bringing the good vibes all afternoon.

A big thank you as well to the Sime family for their generous support, including the brand new perpetual trophies and vouchers from 38 Degrees Recovery Centre. It was also special to hear from old friends of Teddy, and from his son Adam Sime, who shared a few words during the post race presentations.

A great event to commemorate a true legend's ritual and we're keen to keep growing the event, so stay tuned for next year.

JONO SCHACHT

GREG “TEDDY” CLIFFORD – LONG SERVICE MEMBER

Greg “Teddy” Clifford was a man full of life who was a successful masters competitor for North Bondi from 2015. He was the backbone of the masters paddling squad – reliable, positive, and the heartbeat of training sessions. His loss leaves a huge hole in our North Bondi paddling and surf sports family.

Masters ski coach Jake Michael said “For as long as I can remember he has been at the beach, paddle in hand, ready to go. Whether it was grinding through sessions with Luke and I ahead of Olympic trials or battling through our weekly surf squad sessions in a howling southerly, Teddy always showed up with a smile and an energy that lifted the group.”

Teddy won countless medals at NSW State Championships and nine medals at Australian Titles in Ironman, Board, Ski, Double Ski and Ski Relays (5 Gold | 2 Silver | 2 Bronze).

Outside surf club racing Teddy was a great waterman and well known amongst surfers from Maroubra, Bronte and Bondi Beach. Our condolences go to Tina and sons Jack and Nick.

ALBERT STRYKOWSKI – 70-YEAR MEMBER

The Club mourns the passing of Albert Strykowski, whose association with the club spanned more than 70 years. Albert joined North Bondi in the early 1950s and became part of a generation that helped shape the culture, camaraderie and service that remain hallmarks of the club today. Albert formed lifelong friendships, including with members of the club's well-known water polo fraternity and mates such as Fred Mayer and Doug Laing. Albert received his 75-Year Membership Award posthumously at this year's Annual General Meeting, a milestone achieved by very few.

ROBERT “BOBBY” STEWART – 70-YEAR MEMBER

Bobby gained his Bronze Medallion in 1953 and quickly established himself as a fierce competitor. His achievements included Gold Medals in Rescue and Resuscitation (R&R) teams in 1955 and 1958, and membership of the Club's champion March Past team that won Gold in 1958. Beyond surf lifesaving, Bobby was also crowned the New South Wales Amateur Boxing Champion in 1963.

His commitment to North Bondi extended far beyond competition. Serving as Club Captain in 1960–61, Bobby made a significant contribution to the club across many decades, earning the respect and friendship of generations of members.

MARTIN PAYNE – LONG SERVICE MEMBER

Marty joined the Club more than 25 years ago alongside Tim Garrett and quickly became a familiar and valued member of the Club community. A regular in the gym, he was a dedicated participant in the renowned “Hurt Club” boxing group, spending countless hours training in the Ros Packer Room and sharing his passion for fitness, discipline and camaraderie.

Beyond the Club, Marty successfully operated his pest control business for more than two decades and became widely known and respected throughout the community. His friendly nature, willingness to help others and strong work ethic earned him many lasting friendships.

WARREN HAYES – 60-YEAR MEMBER

Warren “Wally Wardrobe” Hayes was a devoted and much-loved member of the club for 67 years. Wally's life was defined by friendship, service, and adventure. His love of travel took him around the world during his career as a steward with Qantas, while his passion for the Australian outback drew him repeatedly to Brewarrina, a place that held a special place in his heart and where his ashes were scattered.

A proud and enthusiastic participant in March Past for many years, Wally embodied the spirit, tradition, and camaraderie of the club. Whether representing North Bondi on the march or sharing stories with fellow members, he always carried the club close to his heart.

NICO ANTIC

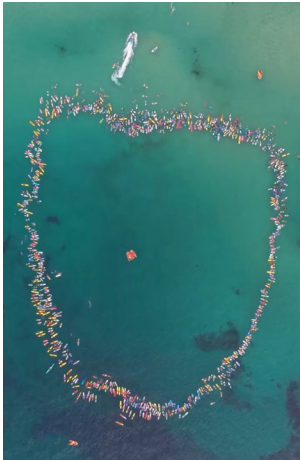

The community continues to mourn the heartbreaking loss of Nico Antic, a cherished U13 Nipper whose life was tragically cut short following a shark attack in Sydney Harbour.

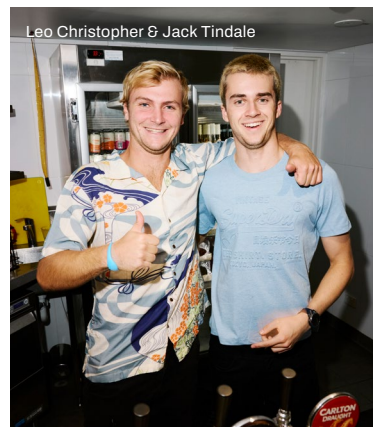

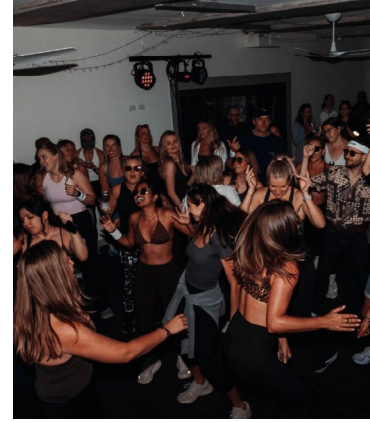

Nico was a much-loved member of the club and a familiar face at Nippers each week. Always arriving with a bright smile and positive attitude, he embodied the spirit of surf lifesaving through his enthusiasm, determination, and kindness. Easy-going and independent, Nico approached every challenge with courage and determination.

A passionate sports lover, Nico thrived on the friendships, teamwork, and sense of belonging that sport provided. Above all, he had a deep connection with the ocean and treasured every moment spent at Nippers. His energy, warmth, and genuine love of life left a lasting impression on fellow Nippers, Age Managers, volunteers, and everyone fortunate enough to know him.

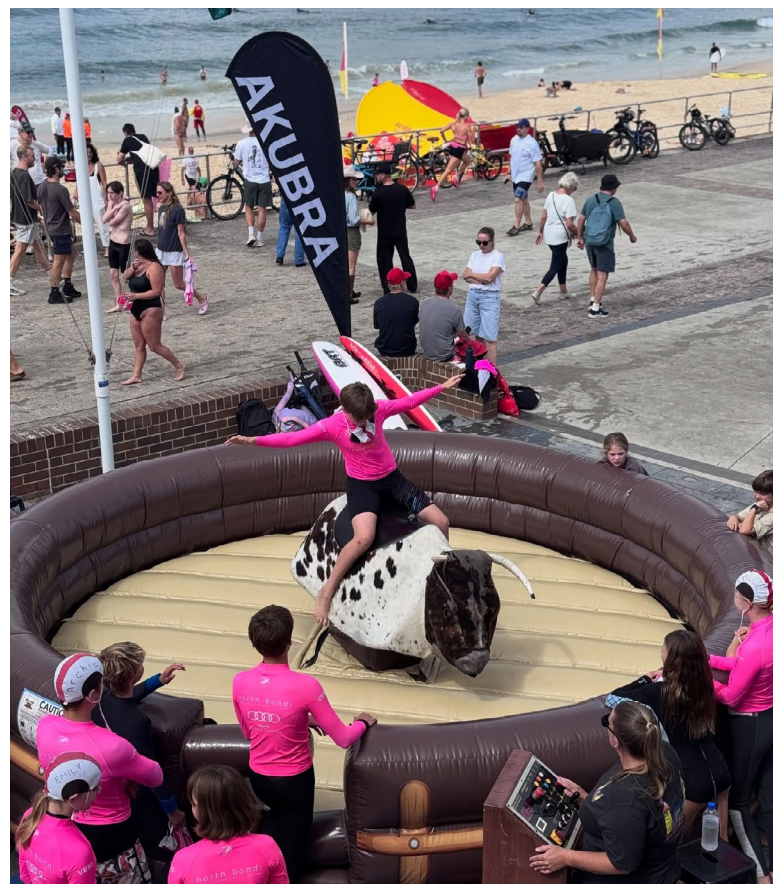

The impact Nico made on the club and wider community was immense. Though his time at North Bondi was far too short, his memory lives on through the friendships he forged, the smiles he shared, and the example he set through his character.

On 1 February 2026, family, friends, club members, and the broader community gathered for a paddle out in Nico's honour. Surrounded by the ocean he loved so dearly, it was a moving and fitting tribute to a remarkable young man whose life touched so many. Nico will be deeply missed, but he will never be forgotten. Our thoughts remain with his family, loved ones, and all those affected by this profound loss.

The Clubhouse

Functions Report

Another incredible year has flown by at The Clubhouse, and once again I'm so grateful to be part of such a special Club and workplace. This year has been packed with an exciting mix of corporate events, milestone celebrations, brand activations, community gatherings and returning clients, all of which continue to showcase just how unique and versatile our venue truly is.

One of the highlights of the year has been the continued growth in repeat business and long-term client relationships. A special mention must go to UNSW and their returning Student Experience programs, who continue to bring fantastic energy to the venue year after year. We also welcomed back valued clients including Loan Market and Screen Producers Australia, alongside a number of international tour groups such as Travel Maestro.

The Clubhouse has once again played host to many meaningful celebrations and member events throughout the year. From bar and bat mitzvahs and milestone birthdays through to anniversary celebrations, pre-wedding events and community dinners, it's always a privilege to be trusted with such important moments in people's lives. Some wonderful member celebrations included Evie Landman's 13th birthday, Gary Sheil's 80th birthday, Chris Proctor's pre-wedding drinks and David Freedman's citizenship party. We were also honoured to host Bronte Campbell's wedding reception at the Club this year.

Our sponsors and corporate partners have continued to utilise the space in creative and exciting ways, with brands including Audi, Woolworths, Will & Co and Ever AU all hosting events throughout the year.

Forecourt activations also remained a huge part of our events calendar and continue to generate fantastic exposure and revenue for the Club. This year we welcomed brands including Stan, Jetstar, DoorDash, Crocs, Messina, Dove Body Polish and Tassal, who brought great energy to the beachfront. BCNA created an incredibly impactful breast cancer awareness activation, complete with a self-check station on the forecourt, while Summer of Akubra certainly turned heads with a mechanical bucking bull right outside the Club!

Without a doubt, one of the most iconic moments of the year was hosting The Iconic's "Summer Sounds" activation on Level 2. The music and fashion event transformed the space into an unforgettable sunset party, made even more special by a live performance from The Veronicas overlooking Bondi Beach. It was one of those events that truly showcased the magic of our venue and location.

Another standout event was Rockwear's City2Surf afterparty, which transformed Level 2 into a sea of purple and brought an amazing atmosphere to the Club following one of Bondi's biggest weekends.

Outside of private events, it has also been fantastic to see the continued success of our Club social initiatives. Huge credit goes to the Social Committee for creating opportunities that bring members together beyond patrol and sport. Events including the Winter Movie Night, Christmas in July celebrations, Trivia nights and live footy screenings created a fun and welcoming atmosphere throughout the year and continue to strengthen our Club culture.

Operationally, we were excited to complete the installation of air conditioning in the Ros Packer Room this year. This has already had a significant impact on the comfort and functionality of the space, particularly for corporate bookings, and has contributed to increased demand and stronger repeat business.

I'd also like to acknowledge and congratulate Sarah Pignatelli on stepping into the Bar Manager role this year. Sarah is not only an outstanding staff member, but also a valued Club member and boatie who has worked behind the bar for many years as one of our senior team members. It has been fantastic to see her step up into management, and she has already made a huge impact with her leadership, energy and dedication to the Club.

As always, none of this would be possible without our incredible Functions & Events team, bar staff, operations crew and volunteers who work so hard behind the scenes to make every event happen. Thank you to Tanya Klujin for continuing to be such an important part of the team and a trusted point of contact for our clients, and to everyone who helps bring these events to life week after week.

We continue to see strong demand across all areas of the business and I'm excited for what's ahead as we continue to grow the events calendar, welcome new clients and showcase everything that makes North Bondi so special.

Thank you again to everyone who contributed to another huge year at The Clubhouse.

SOPHIE THOMSON
FUNCTIONS AND EVENTS MANAGER

Operations Report

Since coming onto the Board in August it has been a pleasure working with such a great proactive team who I have learnt so much from.

The support afforded to me from my fellow Board members, the General Manager, the Office team, Glenn Annear and also the Work Health and Safety sub-committee (Debbie Midwinter, Brad Cole and Stephen Apps) has been truly appreciated.

The constant upkeep and scheduling of maintenance takes a lot of planning and expense that is paramount to keeping the club in peak condition. Maintenance costs will potentially continue to increase as the building gets older. To assist with planning and budgeting and tracking, we have implemented a system which allows us to track quotes and jobs, where work is up to with contractors and suppliers, has the job run to budget and so forth, which in turn allows us to better plan and budget for future projects and the health of the club's finances.

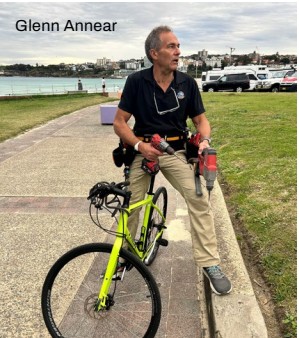

We have completed the installation of the air conditioning in the Ros Parker Room and gym and also the upgrade of all the new camera system and CCTV around the building to improve security.

The change room upgrade remains a work in progress. Our President should be commended for his time and commitment in working with Waverley Council to progress the new lease agreement so planning can be finalised. Council is now contributing to some of the building's internal and external maintenance costs which will have ongoing benefits for the Club.

We undertook the deep clean and application of protective coating on the exterior of the club to seal up the building and stop future degradation. The protective layer will prolong the external weathering of the building from the elements.

I'm looking forward to continuing to work with everyone in and around the club and doing my part to maintain and improve the facilities.

JIMMY SPENCER
HEAD OF OPERATIONS

Sponsorship Report

Celebrating the Partners Powering Our Club

Each season at North Bondi SLSC is built on the strength of our community and the generosity of the organisations that stand beside us. As we close out 2025/26, we acknowledge the businesses whose support ensures we can continue delivering high-quality lifesaving services, competitive opportunities and programs for members of all ages. We encourage our members to support these partners whenever they can as they play a vital role in the life of our club.

Shaw and Partners: Driving Excellence in Surf Sports

This season marked the second year of Shaw and Partners renewed five-year commitment to our surf sports program. Their sponsorship continues to underpin both our Competition and Surf Boats sections, enabling our athletes to train and compete at the highest level.

A prominent name in wealth management, Shaw and Partners maintains a strong visual presence across our surf sports equipment, from trailers and IRB engines to surf boats and craft. Their contribution remains central to the growth of our competitive teams.

We extend our sincere thanks to Earl Evans and the Shaw and Partners team for their ongoing belief in what we do. Please outreach to Shaw and Partners for your wealth management requirements.

Raine & Horne Bondi Beach: Two Decades of Nipper Support

Raine & Horne Bondi Beach continues to be one of the longest-standing supporters of our Nipper program. At last year's Nipper Awards, Ric Serrao confirmed a further three-year extension of their partnership, taking their support through to the 2027/28 season. Further, Ric extended his support through buying a small trailer to be used by nippers and seniors for attending carnivals, training and downwind paddles.

For 20 years, their branding has been proudly worn by more than 800 Nippers each Sunday morning. Their commitment to nurturing

the next generation of lifesavers remains unwavering. Members considering buying or selling property in the Eastern Suburbs are encouraged to reach out to Ric and his team.

Landmark: Our New Lifesaving Sponsor

This season, North Bondi SLSC proudly welcomed Landmark as the new sponsor of our Lifesaving section. Landmark is a Sydney based property developer and builder that constructs high-quality residential apartment complexes with a community minded approach – values that align strongly with our club.

Their support has already made a meaningful impact across our lifesaving operations. Landmark branding now features on key lifesaving assets, including IRBs, rescue boards, outreach tents and uniforms ensuring strong visibility both on the beach and across major events.

Landmark's commitment to enhancing communities through thoughtful development mirrors our mission to create a safer, more connected Bondi. We are excited to begin this partnership and look forward to building a long-term relationship with the Landmark team.

We extend our sincere thanks to Landmark's generous founder Arash Tavakoli and the Landmark team for stepping into this important role and supporting the lifesaving work that sits at the heart of our club.

Audi Centre Sydney: Supporting Safety in the Surf

Audi Centre Sydney continued its important role as our Water Safety Sponsor, ensuring our Nipper program could operate safely each Sunday. Their bright orange rash vests are a familiar sight along the shoreline and are essential to running safe water activities.

Their support also extends to our Nipper Race Team and overall Nipper program with their logo displayed on the back of our iconic Nipper Rashie.

We thank Audi Centre Sydney for their ongoing commitment and encourage members to consider Audi Centre Sydney when purchasing their next vehicle.

Oceana Funds: Backing Our Swim Classic and Nipper Development

Oceana Funds once again renewed its sponsorship of the Oceana Funds North Bondi Swim Classic and our Nipper Development Squad. Founded by club member and masters competitor David Lewis, Oceana remains a trusted and engaged partner.

Their branding features prominently during the Oceana Funds North Bondi Swim Classic on Nipper boards and age group baskets, reflecting their commitment to developing young surf athletes. As a leading Australian alternative investment manager, Oceana continues to deliver strong performance through disciplined asset selection and structured investment strategies.

We thank David and the Oceana team for their continued support and encourage you to contact Oceana Funds about your investment needs.

Woolworths Metro: Keeping the Sunday BBQ Tradition Alive

Woolworths Metro continued as the sponsor of our Sunday BBQ, one of the club's most loved weekly traditions. Their team embraced the partnership wholeheartedly, providing branded tents, aprons, shirts, and signage that helped elevate the BBQ's presence on the promenade.

Their involvement reflects their strong connection to the Bondi community and their appreciation for the locals who support the local Woolworths Metro store. We look forward to growing this partnership in the seasons ahead.

Lurpak: Supporting Our Transport and Club Operations

The club is proud to have Lurpak as the official sponsor of the NBSLSC Club Bus. Their support has played a vital role in enabling our lifesavers, trainers and youth members to travel safely and efficiently to carnivals, training sessions, education programs and community events throughout the year.

Their commitment to elevating everyday experiences mirrors our own commitment to elevating community safety, youth development, and volunteer service.

A special thank you goes to club member Robbie Mayer for Lurpak's support. Mayers Fine Food has also continued its generous contributions, supplying food and products for club events, BBQs, and the coffee club. Their support enhances the club's operations in countless ways, and we are grateful for their ongoing involvement.

Sponsorship Report

Intermain: Supporting Our Education Team

This season, we welcomed Intermain as a new sponsor, joining the club in support of our Education Team.

As one of Australia's leading fit-out, refurbishment, and construction specialists, Intermain brings a strong reputation for quality, reliability, and community-minded values, qualities that align closely with the spirit of our Education section.

Their sponsorship directly supports the volunteers who guide, mentor, and develop our lifesavers. We are delighted to have Intermain join the North Bondi family and look forward to building a long-term partnership with their team.

EVERAU – Keeping our feet warm

We extend our thanks to EVERAU for their support of the Club this season. EVERAU is a valued new partner, and we appreciate their commitment to our community including to the weekly Pilates class.

We would also like to acknowledge and thank the many club members who generously volunteered their time to appear as talent in EVERAU's promotional campaigns. Your involvement helped strengthen the partnership and showcased the spirit of North Bondi in a positive and authentic way.

We are grateful for EVERAU's contribution and look forward to continuing the relationship in the season ahead.

Venroy: Style and Identity at the Aussies

Our partnership with Venroy once again ensured North Bondi stood out at the 2026 Australian Surf Lifesaving Titles. Their design philosophy of simplicity with substance was reflected in another high-quality uniform that received outstanding feedback from competitors and spectators alike.

With stores across Bondi Beach, Paddington, Mosman, and Byron Bay, Venroy continues to grow as a premium Australian fashion brand. They also sponsor one sleeve of our Nipper rashie, further strengthening their connection to the club. Thank you to Sean Venturi and the Venroy team for another exceptional collaboration.

Regatta Motor Body Repairs: Keeping Our Bus in Top Shape

Regatta Motor Body Repairs continues to maintain and detail our club bus. Thank you to Brett Leslight for ensuring our vehicle remains reliable and presentable throughout the season. Members seeking assistance after a car accident are encouraged to contact Regatta.

Will & Co: Coffee Culture at North Bondi

Will & Co continues to bring their signature Bondi coffee culture to the club as the co-sponsor of the sleeve of our Nipper rashies. Their coffee beans, pods, and accessories are a staple in the local community, and we encourage members to visit their flagship store in Bondi for a quality brew.

Hawaiian Airlines

Each year Hawaiian Airlines show us a great deal of support by donating two sets of return flights to Hawaii. We were able to use these as incredible raffle prizes at both our Oceana Classic Ocean Swim and this years Winter Soiree function. This geneous donation enables us to give back to our members and offer an incredible experience.

Jet Dryer: Long-Standing Support for Lifesaving

Trevor Bell and Jet Dryer continue to be valued long-term supporters of the club. Their contributions over the years have helped secure essential assets, including our ATV, Toyota bus and Jet Ski.

Jet Dryer currently sponsors the club's heavily used ATV and has also supplied high-performance fans for the gym. Trevor's generosity over the past seven years has made a lasting impact, and we thank him sincerely for his ongoing support.

Engine Swimwear: Our Official Swimwear Partner

Engine Swimwear continued as the club's official swimwear sponsor throughout 2025/26 Season. Our merchandise team works closely with Engine to develop fresh designs that reflect the identity and spirit of North Bondi. This year's chocolate brown bathers worn by our youth, open and masters competition teams was a highlight. We encourage members to support Engine and update their swimwear as new stock becomes available.

Gary & Vicki Shiels: A Legacy of Support

Life Member Gary Shiels and his wife Vicki continue to contribute generously to the club. Their current support forms part of a legacy initiative that will assist with future building requirements. Their long-term commitment to North Bondi SLSC both financially and through service remains deeply appreciated.

Race One Surf Craft: Supporting Our Competitors

Race One Surf Craft provided a generous donation of race boards and adjustable skis this season, supporting several members with new equipment. As the major sponsor of two of Australia's largest surf sports series, Race One continues to champion the development of surf sports nationally.

Members seeking more information on surf sports craft and accessories can contact Jim Walker.

Sponsorship Team

A successful sponsorship program relies on teamwork. I would like to acknowledge Jamie Verco for his continued support and commitment throughout the season. His contribution has been invaluable. In addition, we have also benefited from Annie Zieme assistance to ensure our sponsorship team delivers all our commitments and obligations.

Acknowledgment to NBSLSC Staff

Finally, thank you to all North Bondi SLSC staff for ensuring our sponsorship obligations were met. Your professionalism and dedication underpin the success of our partnerships. To serve on the board has been an honour and I thank all the sponsors for their generosity and support of North Bondi SLSC. I look forward to seeing and contributing to the club's continued service to the community.

PHIL SURIANO
HEAD OF SPONSORSHIP

Administration Report

We began the season with our Annual General Meeting, welcoming new and returning Board members united in managing the Club for our members while ensuring strong financial management and long-term success. We remain a predominantly volunteer organisation, and I thank every member who selflessly contributed their time this season to protect swimmers at North Bondi and strengthen our club.

Thanks to the Membership Committee; Glenn Clarke, Serge Vegh, Rebecca Mancini, Yoni Golan, and myself as chair. We’ve established a robust process for managing member requests, with particular appreciation to Yoni Golan for leading meeting preparation. Thanks also to Megan Rumford for coordinating monthly board reports and ensuring minutes are published online, enabling efficient board operations.

Active working groups this season covered Social Activities, Club Archives, Club Disciplinary Policy, Club Constitution, Diversity & Inclusion, Work Health & Safety, and Strategic Planning. I thank each leader and contributing member. These groups provide critical inputs, processes, and governance support that enhance member experience and club operations.

Finally, I recognise our paid staff who work weekends and irregular hours ensuring smooth operations across Club activities, Patrols, Nippers, and Events. General Manager Julien Palmer leads daily operations. Sophie Thomson (Club Functions Manager) and Sarah Pignatelli (Venue Manager) with their teams grew our functions business, providing strong revenue. Glenn “Nish” Annear (Caretaker) maintains our facility across numerous aspects. Rebecca “Bec” Mancini ensures efficient office operations, and Pip Holst manages our 800+ Nippers and families with proficiency and care.

Thank you to all members for a great season!

Finance Report

Finance Report for the Year Ended 30 April 2026

I am pleased to present the financial report for North Bondi Surf Life Saving Club Inc. for the year ended 30 April 2026. This report aims to provide a clear and structured summary of the Club's financial performance, position, and ongoing investment in surf lifesaving and member initiatives. The information herein should be read in conjunction with the audited financial statements and accompanying notes included in this document.

Financial Performance Overview

The Club recorded a net surplus before depreciation of \$574,200, up from \$558,674 in the prior year. After depreciation of \$367,407, the net surplus for the year was \$206,793, an improvement on the prior year's surplus of \$187,030.

This result cannot be viewed in isolation from the tragic events at Bondi on 14 December 2025, which profoundly affected our members and the wider Bondi community. In the weeks and months that followed, the Club was humbled by the extraordinary generosity of the government and the community, both here in Australia and around the world. This financial support, alongside the countless messages of solidarity, has strengthened the Club's capacity to continue protecting lives at Bondi Beach and to support our members and community through a difficult period. On behalf of the Club, I extend our deepest gratitude to all who contributed.

Revenue Analysis

Total income for the year amounted to \$2,814,728, an increase of 2.2% on the prior year's revenue of \$2,755,460. Movements across the key revenue streams were as follows:

- Membership fees increased to \$481,787 (up from \$445,745), reflecting continued strong member engagement and retention.
- Sponsorships, donations, and bequests rose significantly to \$634,945 (up from \$503,651), with much of this uplift reflecting the generous community support received following 14 December.
- Grant income increased to \$175,920 (up from \$69,724), including government support provided in the wake of 14 December.
- Event and function income was \$1,014,924, down from \$1,108,203 primarily as a result of cancellations following the Bondi tragedy.
- Merchandise sales of \$115,383 remained broadly in line with the prior year.
- Interest income of \$85,908 and a net unrealised gain on financial investments of \$78,942 contributed an additional layer of financial strength.

Expenditure Summary

Total expenditure before depreciation increased modestly to \$2,240,528, up from \$2,196,786 in FY2025. Key areas of note include:

- Cost of sales increased to \$549,299, reflecting merchandise and bar activity through the year.
- Employee benefits expense was \$736,223, up from \$702,652.
- Insurance expense reduced to \$21,095 (from \$28,727) following a review of the Club's cover arrangements.
- Repairs and maintenance of \$150,381 was held broadly flat, reflecting continued discipline on non-essential spend.
- Other expenses decreased to \$606,498 (from \$657,251), demonstrating tighter cost management across general operations.

Capital Expenditure

The Club continued to invest in its infrastructure and equipment, with capital expenditure totalling approximately \$301,000. Significant areas of investment included:

- Building and leasehold improvements of approximately \$161,000, including air conditioning for both the gym and Ros Packer Room and upgrades to our beer cooling system and security cameras.
- Office furniture and equipment additions of approximately \$89,000.
- Investment of approximately \$48,000 in lifesaving, nippers and surf sports equipment, ensuring our frontline services remain rescue-ready and our juniors are equipped to excel in competition and training.

These targeted investments reflect our commitment to providing high-quality facilities and programs for all members and surf lifesaving operations.

Financial Position

As at 30 April 2026, the Club's financial position remains robust, with total assets exceeding \$10 million for the first time, and net assets of \$9.63 million, up from \$9.42 million in the prior year. Key figures include:

- Cash and cash equivalents: \$1,701,068
- Financial assets (investments): \$1,251,098
- Inventories: \$136,010
- Property, plant, and equipment: \$6.83 million

The Club's total cash and investment balance stands at \$2,952,166, an increase of \$215,590 from the prior year's closing balance of \$2,736,576. During the year a portion of managed funds was redeemed to cash, and these assets continue to comprise a mix of cash at call, term deposits, and exchange-traded funds.

Governance and Acknowledgements

Throughout FY26, the Club has maintained a strong governance framework supported by the Finance Committee (FINCOM). This committee plays a critical role in overseeing budgeting, financial reporting, and expense authorisation. I extend my sincere thanks to the FINCOM members Ben Griffiths, Leonie Wilkinson, and Katie Hilliard for their invaluable contribution to the Club's financial management and discipline.

Looking Ahead

North Bondi Surf Life Saving Club remains in a strong financial position, with a solid capital base and sustainable operating model. As we look forward, we are committed to:

- Continuing strategic investment in lifesaving and member services.
- Applying the support so generously given after 14 December to the ongoing safety, training, and wellbeing of our members and community.
- Upgrading facilities and member amenities.
- Managing costs prudently while maintaining program quality.

Our financial achievements this year are a reflection of the dedication of our members, volunteers, sponsors, and supporters, and of a community that has stood together. Together, we have strengthened our foundation for future growth and community impact.

Committee's Report
30 April 2026

Your Committee present their report on North Bondi Surf Life Saving Club Inc. for the financial year ended 30 April 2026.

Committee Members

The names of each member of the Committee at any time during, or since the end of the year:

Raille Galgut	Resigned August 2025
John Clothier	
Matt Hamilton	Resigned November 2025
Phil Suriano	
Steve Larnach	
Scott Averay	
Anna Willis	Resigned August 2025
David Freedman	
Greg Bodkin	
Ambar Maddox	Appointed August 2025
Jimmy Spencer	Appointed August 2025
Alex Goold	Appointed November 2025

Committee members have been in office since the start of the financial year to the date of this report unless otherwise stated.

Principal activities

The principal activities of the Association during the financial year was to provide surf life saving protection to members of the public.

There were no significant change in the nature of these activities occurred during the financial year.

Operating result

The surplus of the Association for the financial year amounted to \$206,793 (2025: surplus of \$187,030).

Events after the reporting date

No matters or circumstances have arisen since the end of the financial year which significantly affected or may significantly affect the operations of the Association, the results of those operations or the state of affairs of the Association in future financial years.

Committee's Report
30 April 2026

Auditors independence declaration

The lead auditors independence declaration for the year ended 30 April 2026 has been received and can be found on page 3 of the financial report.

Signed in accordance with a resolution of the Members of the Committee:

Notes to the Financial Statements
For the Year Ended 30 April 2026

The financial statements cover North Bondi Surf Life Saving Club Inc. (the "Association") as a not-for-profit individual entity domiciled in Australia.

Comparatives are consistent with prior years, unless otherwise stated.

1 Basis of Preparation

In the opinion of Committee Members, North Bondi Surf Life Saving Club Inc is not a reporting entity since there are unlikely to exist users of the financial statements who are not able to command the preparation of reports tailored so as to satisfy all of their information needs. These special purpose financial statements have been prepared to meet the reporting requirements of the Board, the requirements of the Charitable Fundraising Act 1991 and Australian Charities and Not-for-profit Commission Act 2012 and the requirements of the Associations Incorporation Act 2009.

The financial statements have been prepared in accordance with the recognition and measurement requirements of the Australian Accounting Standards and Accounting Interpretations, and the disclosure requirements of AASB 101 Presentation of Financial Statements, AASB 107 Statement of Cash Flows, AASB 108 Accounting Policies, Changes in Accounting Estimates and Errors, AASB 1048 Interpretation of Standards and AASB 1054 Australian Additional Disclosures.

The financial statements have been prepared on an accruals basis and are based on historical costs modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities.

Material accounting policies adopted in the preparation of these financial statements are presented below and are consistent with prior reporting periods unless otherwise stated.

2 Material Accounting Policy Information

(a) Revenue and other income

Revenue from contracts with customers

The core principle of AASB 15 is that revenue is recognised on a basis that reflects the transfer of promised goods or services to customers at an amount that reflects the consideration the Association expects to receive in exchange for those goods or services. Revenue is recognised by applying a five-step model as follows:

1. Identify the contract with the customer
2. Identify the performance obligations
3. Determine the transaction price
4. Allocate the transaction price to the performance obligations
5. Recognise revenue as and when control of the performance obligations is transferred

Generally the timing of the payment for sale of goods and rendering of services corresponds closely to the timing of satisfaction of the performance obligations, however where there is a difference, it will result in the recognition of a receivable, contract asset or contract liability.

None of the revenue streams of the Association have any significant financing terms as there is less than 12 months between receipt of funds and satisfaction of performance obligations.

Notes to the Financial Statements
For the Year Ended 30 April 2026

2 Material Accounting Policy Information

(a) Revenue and other income

Specific revenue streams

The revenue recognition policies for the principal revenue streams of the Association are:

Donations and Bequests

Donations and bequests collected, including cash and goods for resale, are recognised as revenue when the Association gains control of the asset.

Grant revenue

Where grant income arises from an agreement which is enforceable and contains sufficiently specific performance obligations then the revenue is recognised when control of each performance obligations is satisfied.

Each performance obligation is considered to ensure that the revenue recognition reflects the transfer of control and within grant agreements there may be some performance obligations where control transfers at a point in time and others which have continuous transfer of control over the life of the contract.

Where control is transferred over time, generally the input methods being either costs or time incurred are deemed to be the most appropriate methods to reflect the transfer of benefit.

Membership subscription income

Membership subscription income is recognised over the period in which the services are rendered and corresponds to the satisfaction of performance obligations and transfer of control to the customer.

Amounts received in advance are recognised as deferred income and credited to profit and loss on a straight line basis over the expected subscription period.

(b) Income Tax

No provision for income tax has been raised as the Association is exempt from income tax under Div 50 of the Income Tax Assessment Act 1997. The income tax exemption has been claimed based on self-assessment by the Association.

(c) Goods and services tax (GST)

Revenue, expenses and assets are recognised net of the amount of goods and services tax (GST), except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payable are stated inclusive of GST.

Cash flows in the statement of cash flows are included on a gross basis and the GST component of cash flows arising from investing and financing activities which is recoverable from, or payable to, the taxation authority is classified as operating cash flows.

Notes to the Financial Statements
For the Year Ended 30 April 2026

2 Material Accounting Policy Information

(d) Inventories

Inventories are measured at the lower of cost and net realisable value. Cost of inventory is determined using the first-in-first-out basis and is net of any rebates and discounts received. Net realisable value is estimated using the most reliable evidence available at the reporting date and inventory is written down through an obsolescence provision if necessary.

(e) Property, plant and equipment

Each class of property, plant and equipment is carried at cost less where applicable, any accumulated depreciation and impairment.

Depreciation

Property, plant and equipment, excluding freehold land, is depreciated on a straight-line or diminishing value basis over the assets useful life to the Association, commencing when the asset is ready for use.

The depreciation rates used for each class of depreciable asset are shown below:

Fixed asset class	Depreciation rate
Buildings	2.5% SL
Leasehold improvements	2.5 - 40% DV
Furniture & gym equipment	15 - 40% DV
Coaster bus	15 - 40% DV
Office furniture & equipment	15 - 40% DV
Surf sports & life saving equipment	15 - 30% DV

At the end of each annual reporting period, the depreciation method, useful life and residual value of each asset is reviewed. Any revisions are accounted for prospectively as a change in estimate.

(f) Cash and cash equivalents

Cash and cash equivalents comprises cash on hand, demand deposits which are readily convertible to known amounts of cash and which are subject to an insignificant risk of change in value.

(g) Trade and other payables

Trade and other payables represent the liability outstanding at the end of the reporting period for goods and services received by the Association during the reporting period which remain unpaid. The balance is recognised as a current liability with the amounts normally paid within 30 days of the recognition of the liability.

Notes to the Financial Statements
For the Year Ended 30 April 2026

2 Material Accounting Policy Information

(h) Trade and other receivables

Trade receivables are recognised at fair value less any expected credit losses.

The Association has applied the simplified approach to measuring expected credit losses, which uses a lifetime expected loss allowance. To measure the expected credit losses, trade receivables have been grouped based on days overdue.

(i) Financial instruments

Financial assets

Financial assets are initially measured at fair value. Transactions costs are included as part of the initial measurement, except for financial assets at fair value through profit or loss. Such assets are subsequently measured at either amortised cost or fair value depending on their classification. Classification is determined based on both the business model within which such assets are held and the contractual cash flow characteristics of the financial asset unless an accounting mismatch is being avoided.

Financial assets are derecognised when the rights to receive cash flows have expired or have been transferred and the Association has transferred substantially all the risk and rewards of ownership. When there is not reasonable expectation of recovering part or all of a financial asset, its carrying value is written off.

Impairment of financial assets

The Association recognises a loss allowance for expected credit losses on financial assets which are either measured at amortised cost or fair value through other comprehensive income. The measurement of the loss allowance depends upon the Association's assessment at the end of each reporting period as to whether the financial instrument's credit risk has increased significantly since initial recognition, based on reasonable and supportable information that is available, without undue cost or effort to obtain. Where there has not been a significant increase in exposure to credit risk since initial recognition, a 12-month expected credit loss allowance is estimated. This represents a portion of the asset's lifetime expected credit losses that is attributable to a default event that is possible within the next 12 months. Where a financial asset has become credit impaired or where it is determined that credit risk has increased significantly, the loss allowance is based on the asset's lifetime expected credit losses. The amount of expected credit loss recognised is measured on the basis of the probability weighted present value of anticipated cash shortfalls over the life of the instrument discounted at the original effective interest rate.

Notes to the Financial Statements
For the Year Ended 30 April 2026

2 Material Accounting Policy Information

(j) Impairment of assets

At the end of each reporting period the Association determines whether there is an evidence of an impairment indicator for non-financial assets.

Where assets do not operate independently of other assets, the recoverable amount of the relevant cash-generating unit (CGU) is estimated.

The recoverable amount of an asset or CGU is the higher of the fair value less costs of disposal and the value in use. Value in use is the present value of the future cash flows expected to be derived from an asset or cash-generating unit.

Where the recoverable amount is less than the carrying amount, an impairment loss is recognised in profit or loss. Reversal indicators are considered in subsequent periods for all assets which have suffered an impairment loss.

3 Critical Accounting Estimates and Judgments

The directors make estimates and judgements during the preparation of these financial statements regarding assumptions about current and future events affecting transactions and balances.

These estimates and judgements are based on the best information available at the time of preparing the financial statements, however as additional information is known then the actual results may differ from the estimates.

The significant estimates and judgements made have been described below.

Key estimates - impairment of property, plant and equipment

The Association assesses impairment at the end of each reporting period by evaluating conditions specific to the Association that may be indicative of impairment triggers. Recoverable amounts of relevant assets are reassessed using value-in-use calculations which incorporate various key assumptions.

Key estimates - fair value of financial instruments

The Association has certain financial assets and liabilities which are measured at fair value. Where fair value has not able to be determined based on quoted price, a valuation model has been used. The inputs to these models are observable, where possible, however these techniques involve significant estimates and therefore fair value of the instruments could be affected by changes in these assumptions and inputs.

Key estimates - receivables

The receivables at reporting date have been reviewed to determine whether there is any objective evidence that any of the receivables are impaired. An impairment provision is included for any receivable where the entire balance is not considered collectible. The impairment provision is based on the best information at the reporting date.

13 Contingencies

In the opinion of the Committee, the Association did not have any contingencies at 30 April 2026 (30 April 2025: None).

North Bondi Surf Life Saving Club Inc.

ABN: 77 272 419 031

**Notes to the Financial Statements
For the Year Ended 30 April 2026****14 Key Management Personnel Remuneration**

All key management personnel and volunteers are not compensated.

15 Related Parties**(a) The Association's main related parties are as follows:**

Key management personnel - refer to Note 14.

Other related parties include close family members of key management personnel and entities that are controlled or significantly influenced by those key management personnel or their close family members, in accordance with the disclosure requirements of AASB 124: Related Party Disclosures.

(b) Transactions with related parties

No transactions occurred with related parties during the year.

16 Cash Flow Information**(a) Reconciliation of result for the year to cashflows from operating activities**

	2026	2025
	\$	\$
Profit for the year	206,793	187,030
Cash flows excluded from profit attributable to operating activities		
Non-cash flows in profit:		
- revaluation of managed funds	(78,942)	(112,411)
- depreciation	367,407	371,643
Changes in assets and liabilities:		
- increase/(decrease) in trade and other receivables	32,516	(4,112)
- (decrease)/increase in prepayments	(4,407)	1,767
- increase/(decrease) in inventories	56,145	(82,622)
- (decrease)/increase in income in advance	(120,023)	243,572
- decrease in trade and other payables	(4,478)	(51,114)
Cashflows from operations	455,011	553,753

17 Fundraising Activities Disclosures under the NSW Charitable Fundraising Act 1991

Aggregate gross income from fundraising	61,025	80,026
Aggregate gross income from donations	126,945	54,706
Less total direct cost of fundraising	(22,782)	(27,858)
Net fundraising surplus	165,188	106,874

Every year the Club conducts BBQ sales as part of regular fundraising activities. Throughout the year the Club also received donations from members & non-members.

Net fundraising surplus is applied to the operational expenses of the Club in its core activities.

Notes to the Financial Statements
For the Year Ended 30 April 2026

18 Events after the end of the Reporting Period

The financial report was authorised for issue on 17 July 2026 by the Committee of Management.

No matters or circumstances have arisen since the end of the financial year which significantly affected or may significantly affect the operations of the Association, the results of those operations or the state of affairs of the Association in future financial years.

19 Statutory Information

The registered office and principal place of business of the Association is:
North Bondi Surf Life Saving Club Inc.
Campbell Pde
North Bondi

Fundraising Statement

In accordance with a resolution of the Board of Directors of North Bondi Surf Life Saving Club Inc., we state that:

In the opinion of the Board of Directors:

- a) the Statement of Comprehensive Income is drawn up so as to give a true and fair view of all the income and expenditure of the Branch with respect to fundraising activities for the year ended 30 April 2026;
- b) the Statement of Financial Position is drawn up so as to give a true and fair view of the state of affairs of the Branch with respect to fundraising activities as at 30 April 2026; and
- c) the internal controls exercised by the Branch are appropriate and effective in accounting for all fundraising income and expenditures.

Further, the surplus from fundraising, together with other revenues, were applied in the provision of direct services and administrative works to achieve the aims of North Bondi Surf Life Saving Club Inc.

Under the terms of the authority issued to this Branch by the Office of Charities, each of the sections of the Branch is required to report on its fundraising activities at its Annual General Meeting. The Branch has established procedures to enable each of the fundraising sections to properly report on its activities within the requirements of the Charitable Fundraising Act.

Steve Larnach

Dated:17 July 2026

Responsible Person's Declaration

The responsible persons declare that in the responsible persons' opinion:

- there are reasonable grounds to believe that the registered entity is able to pay all of its debts, as and when they become due and payable; and
- the financial statements and notes satisfy the requirements of the *Australian Charities and Not-for-profits Commission Act 2012* and the *Charitable Fundraising Act 1991*.

Signed in accordance with subsection 60.15(2) of the *Australian Charities and Not-for-profit Commission Regulation 2013*.

President
Steve Larnach

Head of Finance
Scott Averay

INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF NORTH BONDI SURF LIFE SAVING CLUB INC
Report on the Audit of the Financial Report

Opinion

We have audited the financial report of North Bondi Surf Life Saving Club Inc (the Company), which comprises the statement of financial position as at 30 April 2026, the statement of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including material accounting policy information, and the directors' declaration.

In our opinion the financial report of North Bondi Surf Life Saving Club Inc, has been prepared in accordance with *Division 60 of the Australian Charities and Not-for-profits Commission Act 2012*, including:

- a) giving a true and fair view of the Company's financial position as at 30 April 2026 and of its financial performance for the year then ended;
- b) complying with Australian Accounting Standards to the extent described in Note 1 and *Division 60 of the Australian Charities and Not-for-profits Commission Regulation 2013*;
- c) the financial report gives a true and fair view of the financial result of fundraising appeals for the year;
- d) the financial report and associated records of the Association have been properly kept during the year in accordance with the New South Wales Charitable Fundraising Act 1991 and the regulations;
- e) money received as a result of fundraising appeals conducted during the year has been properly accounted for in accordance with the New South Wales Charitable Fundraising Act 1991 and the regulations;
- f) there are reasonable grounds to believe that the Association will be able to pay its debts when they fall due.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

PKF(NS) Audit & Assurance Limited Partnership is a member of PKF Global, the network of member firms of PKF International Limited, each of which is a separately owned legal entity and does not accept any responsibility or liability for the actions or inactions of any individual member or correspondent firm(s). Liability limited by a scheme approved under Professional Standards Legislation.

Emphasis of Matter – Basis of Accounting

We draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared for the purpose of fulfilling the Company's financial reporting responsibilities under the *Australian Charities and Not-for-profits Commission Act 2012*. As a result, the financial report may not be suitable for another purpose. Our opinion is not modified in respect of this matter.

Independence

We are independent of the Company in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (including Independence Standards) (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence declaration required by the Corporations Act 2001, which has been given to the directors of the Company, would be in the same terms if given to the directors as at the time of this auditor's report.

Responsibilities of Directors for the Financial Report

The directors of the Company are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards to the extent described in Note 1 and the *Australian Charities and Not-for-profits Commission Act 2012*. The directors' responsibility also includes such internal control as the directors determine is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.

Auditor's Responsibilities for the Audit of the Financial Report (cont'd)

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, action taken to eliminate threats or safeguards applied.

WALLY WEEKES MEMBERS

Wally Weekes is considered the founder of North Bondi SLSC. The first permanent Clubhouse was erected on his land near Ben Buckler point and he played a pivotal role in our fledgling Club's success. His pioneering spirit is honoured in recognising our major building benefactors. These donors contributed over \$100,000 each to the construction of our new Clubhouse in 2013. Without their support our building would probably never have been built.
